CHEHALIS RIVER BASIN FLOOD AUTHORITY AND CHEHALIS BASIN PARTNERSHIP

JOINT INFORMATIONAL WORK SESSION AGENDA

Tuesday May 25th – 9:00 AM
Veterans Memorial Museum
100 SW Veterans Way, Chehalis, WA

1. **Convene Work Session** **9:00**

2. **Introductions** **9:05**

3. **Without-Project Conditions Information** **9:10**
   The Corps of Engineers will provide information and answer questions on the proposed option of adding a second without-project conditions report (one that does not include the Twin Cities project as built) to the General Investigation. Information will cover the implications, cost, and schedule of this option.

4. **BREAK** **10:10**

5. **Without-Project Conditions Discussion** **10:15**
   The group will discuss the proposed option of adding a second without-project conditions report.

6. **Project Management Plan** **11:00**
   The group will discuss the current draft Project Management Plan for the General Investigation.

7. **General Investigation Agreement** **11:15**
   The group will discuss the draft agreement between the Flood Authority, the Partnership, and Grays Harbor County covering how the entities will collaborate on the General Investigation.

8. **ADJOURN** **12:00**
