Wording
Adoption of the amended 2014 Annual Construction Program and six-year Transportation Improvement Program for the years 2014-2019

Description
A Public Hearing was held providing an opportunity for any person to appear and be heard, either for or against the adoption of the amended programs. The amended 2014-2019 six-year Transportation Improvement Program (TIP) must be adopted prior to the County's budgeting of added or changed projects. The amended 2014 Annual Construction Program (ACP) represents the first year of the six-year TIP and is required by the County Road Administration Board (CRAB).

Pursuant to RCW 36.81.121, all cities and counties are required to prepare, adopt and submit a six-year transportation improvement program. The Lewis County 2014-2019 six-year TIP and 2014 ACP were adopted by Resolution 13-542 on November 18, 2013. Copies of these programs were furnished to Washington State Department of Transportation (WSDOT), Southwest Washington Regional Transportation Planning Organization (SWRTPO), CRAB, cities containing urban areas, and the Transportation Improvement Board (TIB).

The requirements for the ACP are contained in WAC 136.16. This part of the WAC is intended to provide for an evaluation of compliance with the construction by county forces laws, in RCW 36.77.065.

The amended six-year 2014-2019 TIP and 2014 ACP adjusts the construction funding categories to reflect changes due to additional grant funding from the Surface Transportation Program (STP-US) and Bridge Replacement Advisory Committee (BRAC), and updates information and funding sources for all projects. RCW 36.81.121 allows the 2014-2019 six-year TIP and 2014 ACP to be amended at any time by a majority of the legislative authority, but only after a public hearing thereon. The public hearing was held March 24, 2014 pursuant to notice published in the East County Journal-March 12th and 19th, 2014 and The Chronicle-March 13th and 20th, 2014.

Recommendation
Approve resolution for adoption of the amended 2014-2019 six-year TIP and amended 2014 ACP.
