General Provisions

1. Prior to completing an application for a No-Spray Agreement, property owners shall provide documentation they meet one of the following criteria;
 - a. **Organic Farming** - Applicants interested in becoming a certified organic farm need to contact the United States Department of Agriculture for the necessary steps for the certification process. It has been Lewis County's standard procedure to stop applying brush spray once an organic farm certification has been provided and verified.
 - b. **State Listing** - Applicants who qualify for the State Chemical Sensitive Persons list.
 - c. **Public Water System** - Existing Public Water Systems with wellheads located 100 feet or less of the Lewis County Right-of-Way.
2. Property owners who obtain a No-Spray Agreement from Lewis County become responsible for maintaining the vegetated area within the Lewis County Right-of-Way along their property. If the Agreement holder fails to maintain the area in accordance with the terms of this Agreement, Lewis County Public Works will maintain the area as needed including mowing and/or spraying.
3. No dirt, debris, or other fill material shall be placed on the County Right-of-Way.
4. Lewis County is not responsible for any damaged or lost No Spray signs.
5. Incomplete No-Spray Agreements will not be accepted.

Agreement Conditions

1. "No Spray" signs will be purchased and installed by Lewis County Public Works in accordance with Lewis County standards and State and Federal laws. The signs shall not be moved, covered, or in any other way altered by anyone other than an authorized Lewis County Public Works employee.
2. Applications can be obtained on the Public Works website or from the Community Development Permit counter and should be returned to the Permit counter for processing
3. Two (2) signs are required along the property adjacent to the County roadway. Any property owners requesting a No-Spray Agreement for a property adjacent to more than one (1) County road must purchase two (2) additional No-Spray signs for each additional roadway the property is adjacent to. If additional signs are required beyond the two (2) that come with the No-Spray Agreement, they can be purchased from Lewis County Public works for \$100 per pair. The \$100 per additional pair will cover the cost of the time and materials and installation of the sign.
4. Only authorized Lewis County Public Works employees will install No-Spray signs.
5. This Agreement must be renewed annually, on or before February 1st of the next year. If an agreement is not renewed by February 1st, it will expire.

No-Spray Agreements are non-transferrable. In the event the property ownership changes, the Agreement will become void at the time of new ownership.
