

ICS 300

January 10 & 11, 2013

8:30 AM ~ 5:30 PM

FREE

Trainers: Chief Steve North & Jesi Chapin

Chief North and Ms. Chapin bring a real world perspective to their delivery of the ICS 300 course. While Chief North has enjoyed a career in the fire service, Ms. Chapin has law enforcement and emergency management experience. You can expect to enjoy an occasional chuckle along the way as we play “ICS Jeopardy” and work together to understand how you can use the ICS to manage your incident.
