

Re-Think Before You Throw Away

It's not *all* trash! Lewis County encourages its customers to consider alternatives to disposal. Check with one of the businesses on the back of this flier to see if what you want to dispose could be re-used and passed on to someone new and used for another purpose. If you are in a rush or can't connect with one of these businesses, Lewis County is offering, as a pilot project now through the end of June, the Re-use Center in the Recycling Area at the transfer station in Centralia. Re-usable building supplies and household items that meet the Re-use Center Coordinator's approval can be dropped off during designated hours and offered to others for free.

No electronic equipment or clothing accepted!

Tuesday through Saturday
