

Re-usable building supplies & household items

Northwest Tub Company

113 N. Tower (showroom)
Centralia
(360) 880-5672

This company typically specializes in older materials (from 1975 and earlier). Workers can make old sheds out of siding and windows from old buildings and has people looking for old tubs, sinks and single-pane windows. If it looks like trash to you, it may be a treasure in this shop.
