

Date: August 1, 2016
To: Lewis County Planning Commission
From: Fred Evander, Senior Long Range Planner, Lewis County
RE: WORKSHOP: COMPREHENSIVE PLAN POLICIES
Attachments: Attachment A: Land Use Element – Urban Goals and Policies (10 Pages)
Attachment B: Transportation Element – Goals and Policies (12 Pages)

Attached are two draft sections that suggest revisions to the goals and policies of the Lewis County Comprehensive Plan. The Planning Commission will conduct an initial review of these goals and policies at their meeting of August 9, 2016, and over time these policies will be integrated into larger revisions to the Land Use and Transportation Elements. The larger versions of these elements will be presented to the Lewis County Planning Commission at future meetings.

RECOMMENDATION

Staff recommends that the Planning Commission discuss the proposed changes in a workshop at the August 9, 2016 meeting, and make any changes that it deems necessary.
