---

The Planning Commission will be discussing a number of items from the draft Comprehensive Plan at the meeting of October 11, 2016.

These items include:

- **A draft of the Economic Development Element of the Comprehensive Plan.** This draft is attached to this staff report.
- **A draft of the goals and policies of the Transportation Element.** These goals and policies are attached to this staff report, and were previously distributed to Commissioners. Please review the draft prior to the meeting to identify any needed changes.
- **A draft of the Land Use Element of the Comprehensive Plan.** This draft was discussed during the last Planning Commission meeting. Commissioners should review the draft that was previously distributed and identify any necessary revisions. *Please bring the previously distributed copy of the document to the meeting.*

Electronic copies of each of the files are available online at  
<http://lewiscountywa.gov/communitydevelopment/planning-commission>.

Please review the documents in preparation for the meeting on October 11, 2016. The Commission will make needed changes to the documents as part of the meeting.
