

Date: October 19, 2016
To: Lewis County Planning Commission
From: Fred Evander, Senior Long Range Planner
RE: **WORKSHOP: COMPREHENSIVE PLAN UPDATE**
Attachments: Draft Utilities and Capital Facilities Plan Goals and Policies (10 pages)
Draft Glossary (7 pages)
Draft Ony Plan (6 pages)

The Planning Commission will be discussing a number of items for the draft Comprehensive Plan at the meeting of October 25, 2016.

These items include:

- **A draft of the goals and policies for the Utilities and Capital Facilities Element.** This draft is attached to this staff report.
- **Revisions to the Glossary section of the document.** These revisions are primarily intended to improve the definition of rural character within Lewis County. In the draft, the majority of items that are proposed to be struck-through are already defined in state law.
- **A draft of a sub-area plan for Onalaska.** This draft is intended to function as an initial draft of the sub-area plan for the Onalaska Urban Growth Area. Public outreach to the Onalaska community will be based on the initial ideas within the draft.

Electronic copies of each of the files are available online at
<http://lewiscountywa.gov/communitydevelopment/planning-commission>.

Please review the documents in preparation for the meeting on October 25, 2016. The Commission will make needed changes to the documents as part of the meeting.
