PUBLIC SAFETY THROUGH PROFESSIONAL SERVICE

## "Correctional Officers - Out of Sight, Out of Mind"

Just as the men and women in green, we too do not know  
if we will greet our loved ones at the end of the day.

It takes a correctional officer to deal with society's undesirables, the  
overcrowding of prisons, the thanklessness of the public and to efficiently  
carry out the duties of a job that so many criticize and so little want.

During our tour of duty not only are we correctional officers we are also: police officers,  
firepersons, suicide watch, nurses, counselors, computer operators, mailpersons,  
newspaper delivery persons, the united parcel service, and more.....

And with all of this in mind at the beginning of our tour...

We will stand tall beneath our hats.

With pride we wear our shields.

And with unity, integrity, and professionalism,

Like soldiers we march side by side into our unpredictable institutions both

Bona fide and qualified to handle any situation that may erupt.

We are correctional officers.
