

WSU Lewis County Master Recycler Composter Volunteers present:

Green Spring Cleaning

March 22, 2023 at 5:30 p.m.

Lewis County Historic Courthouse

Basement Conference Room

275 W. Main St.

Chehalis, WA 98532

WSU Lewis County Master Recycler Composter Recycler Volunteers help our community create safer and healthier indoor environments that reduce household hazardous waste and reduce the environmental and health impacts of chemicals in the home. Volunteers will host a **Green Spring Cleaning Workshop** to teach about safer alternatives for household cleaning. At the workshops, participants learn about household chemicals and wastes, cleaning supplies' impact on indoor air quality, and how to use "green" alternatives. Participants who pre-register will receive a green cleaning kit to take home (one per family, please)

Please reserve your spot: 360-740-1216 or jason.adams@lewiscountywa.gov
