

Reynolds Avenue and Harrison Avenue CORRIDOR IMPROVEMENTS

Project Considerations

- 1 Port of Centralia Business Park – significant generator of truck traffic
- 2 Riverside Fire Authority Station #2
- 3 New curb, gutter and sidewalk features must tie into existing improvements
- 4 Railroad crossings
- 5 Historic Sticklin Greenwood Memorial Park
- 6 Power transmission, distribution and communication facilities
- 7 Fords Prairie Elementary School – generator of school traffic
- 8 Historic Fords Prairie Grange Hall
- 9 Power substation and transmission lines
- 10 Future West Connector/Harrison Avenue intersection
- 11 Blakeslee Junction – future switch upgrade
- 12 Power distribution and communication facilities
- 13 Coffee Creek – salmon-bearing stream with gas pipeline on the bridge
- 14 New roundabout and/or traffic light at Ives Road and Harrison Avenue
