REYNOLDS AVENUE / HARRISON AVENUE CORRIDOR IMPROVEMENTS

COMMENT FORM

APRIL 20, 2023
OPEN HOUSE

HOW CAN WE REACH YOU?

Name: Bob Steele
Address: 3210 Harrison Ave
Email: Wideglide101@Hotmail.com
Phone: 360-878-1142

TELL US YOUR VIEWS

Your input is important in helping us as we move forward in development of the project.

1. What transportation issues would you like the project team to know about on the corridor between the Kuper - Goodrich Road and Pearl Street (SR 507)?

My Driveway opening need to be wide because of my 5th wheel trailer parks in front of my house. You are not taking none of my property because the road is already to close to my house!

2. What specific transportation improvements would you like to see built on the corridor? These can include sidewalks, bicycle lanes, street lighting, pedestrian crossings, street parking, etc. in specific locations.

No sidewalks, no bike lanes. We don't have the room because the houses are right on the roadway. No night time work I work days sleep nights. My worry is the speed is already running faster than posted speed, now you widening the road looks like a better reason to speed.

Please return this form today, or mail to the following address no later than April 28, 2023 to: Reason to speed.
Mark Burch, Lewis County Public Works, 2025 NE Kresky Avenue, Chehalis, WA 98532
or effective May 1, 2023, 57 West Main Street, Chehalis, WA 98532

1 of 2

3. Are there potential environmental impacts that particularly concern you? These can include potential impacts to specific streams, wetlands, floodplain, species, noise, visual impacts, etc.

Noise, the more you add the more Trucks and noise comes with it.

Additional Comments / Questions:

We dealt with the Sewer construction totally a mess From Start to Finish. I go to work early I couldn't get out of my driveway Multiple times. I believe you need turn lanes by the New Apartments, Not this far out
