RE: Long Plat (Full Subdivision) Type III Application – LP24-00001 – “Riverside” – Notice of Complete Application Letter (9 Lots)

Thank you for submitting the Long Plat application packet on March 26, 2024, with fees and supplemental materials on March 27, 2024. After completing the review of the preliminary plat application, drawing, SEPA Checklist and associated applications and reports, the application packet was determined to be complete to begin processing as of April 22, 2024. The application packet has been routed along with the SEPA threshold determination to begin the review process.

Sincerely,

Karen Witherspoon
