Acknowledgment and Permission to Enter

I understand that County regulations require owner permission for County personnel to enter private property to conduct permit processing, review, and inspections. I also understand that my failure to grant permission to enter may result in denial or withdrawal of a permit or approval. By my signature below, permission is granted for representatives of the Community Development, Environmental Services, and Public Works Department to enter and remain on and about the property for the sole purpose of processing such permits and performing required inspections or reviews.

I/We certify that all plans, specifications and other submissions required in support of this application conform to the requirements of all federal, state, and local codes and applicable laws and ordinances; and I certify that I am either the current legal owner of this property or their authorized representative. With this document, I take full responsibility for the lawful action that this document allows.

I certify that I have read and understand the limitations and conditions of Lewis County Code and agree to comply with all conditions of approval. I understand that any permits issued by Lewis County, consistent with the attached site plan, are valid ONLY if construction is in according to this plan and all other conditions of the permit are followed. By my signature below, I affirm that all the information and documents provided with this application are true and accurate to the best of my knowledge.
