PROJECT: Replacement of a damaged raw water intake screen in the Chehalis River that serves as the Town of Pe Ell's secondary potable water source. Work includes but is not limited to lowering the screen as a result of lower water levels of the Chehalis River at the draw point, installation of a submersible pump at the new intake point and placement of protection boulders to deflect large woody debris away from the intake.

PROJECT LOCATION: The project is located in Section 04, Township 12N, Range 05W within the shoreline jurisdiction of the Chehalis River. Lewis County's 2021 Shoreline Master Program designates this area of the Chehalis River as Shoreline Rural Conservancy.

PROJECT APPLICANT:

Eric Noah
