The Lewis County Code proposed amendments are presented with development regulations on the odd pages, edits shown in underline for text to be added and ~~strike through~~ for text to be removed, and commentary on even pages. Complete new chapters are not underlined for ease of reading. Commentary is an explanation of the code amendments and serves as legislative intent. Commentary is not required for every proposed code amendment.

Public comments may be provided on both the development regulations and the commentary; however, the development regulations are what will be adopted and will apply to new development in Lewis County.

Public comments may be provided when the record is open. The record is open when a public hearing on the development regulations are noticed in the newspaper. To receive the notices directly, please subscribe to the [Lewis County Planning Announcements](#).

Question should be directed to Mindy Brooks at mindy.brooks@lewiscountywa.gov or 360-740-2610.
