COLLECTIVE BARGAINING AGREEMENT

Lewis County, a political subdivision of the State of Washington, by and through its Board of County Commissioners, hereinafter known as the “Employer”, and the Washington State Council of County and City Employees and Local 1341 of the American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter known as the “Union”, do hereby enter into agreement for the purpose of providing and promoting harmonious relations between the Employer and the employees, establishing equitable and peaceful procedures for the resolution of differences, and establishing rates of pay, hours of work, and other terms and conditions of employment.

DECLARATION OF PRINCIPLES

Subject to law and the paramount consideration of service to the public, employee/ management relations should allow employees an opportunity for participation in the formulation and implementation of policies and procedures affecting the conditions of their employment.

Effective employee/management cooperation requires a clear statement of the respective rights and obligations of the parties hereto. It is the intent and purpose of the parties hereto to promote and improve the efficient administration of the Lewis County Department of Public Works and Lewis County Department of Community Development, within the spirit of the Public Employees Collective Bargaining Act, to establish basic understanding relative to personnel and to provide means for amicable discussion and adjustment of matters of mutual interest.

1. RECOGNITION

- 1.1 For the purpose of collective bargaining with respect to wages, hours and working conditions, and other conditions of employment, the Employer recognizes the Union as the designated representative of certain employees in the Lewis County Department of Public Works and Lewis County Department of Community Development, as identified in the appropriate attached appendices.
- 1.2 When any new job classification is created, the Employer shall notify the Union of the creation of such classification. Such newly created classification shall either be in or out of the bargaining unit, depending upon whether the newly created classification is consistent with the duties, confidentiality, responsibilities, and general organizational structure of the particular department.
- 1.3 Employee Definitions.
 - 1.3.1 Regular Full-Time Employee. A full-time employee shall be defined as an employee who regularly works forty (40) hours each week.

1.3.2 Regular Part-Time Employee. A part-time employee shall be defined as an employee who regularly works less than forty (40) hours each week.

1.3.3 Probationary Employee. A probationary employee shall be defined as an employee who is serving his or her six (6) month probationary period. During such period, a probationary employee's employment status with the Employer shall be strictly "at will" and shall have no appeal recourse through the grievance procedure of this Agreement. The "probationary employee" designation may be applied to either a full-time or a part-time employee. During the employee's initial six (6) months' employment with the Employer, the employee shall accrue seniority, vacation days and sick leave.

1.3.4 Promotional Employee. An employee who has successfully passed their probationary period, and without a break in service, is serving a trial period in a regular position with a higher salary range.

1.3.5 Extra-Help Employee. An extra-help (casual) employee may be appointed to provide extra help during peak workloads, or when the nature of the work is sporadic and does not fit a particular pattern. Extra-help employees may perform work on a regular or irregular basis for a specified period of time, not to exceed 1040 hours in any calendar year, except by mutual agreement of the Union and Employer. An extra-help employee shall be excluded from the terms and conditions of this agreement. Disputes arising from application of this provision shall be resolved through the grievance procedure.

1.3.6 Project Employee. The Employer and the Union agree that Project Employment positions shall be defined as employment which groups together employees whose length of service are contingent upon federal, state, or other grant funding for specific non-continuing projects. A person occupying a project position is a project employee. Project employees shall not be used to reduce or replace the number of regular employees.

1.3.7 Intern/Work Study. Internships are temporary and have an emphasis towards "on-the-job" training and/or working for school credit. An internship may be paid, unpaid or partially paid. Interns/Work Study employees must be under the supervision of a County employee who is qualified to conduct the internship and must comply with Federal, State and Local law, and grant-funding requirements if applicable. Interns/work study students are not represented and excluded from the collective bargaining agreement.

1.3.8 Temporary appointment. Temporary appointments may be made in the absence of a regular employee; when the Employer is recruiting to fill a vacancy; to address a short-term need; or if the Employer is not filling a position with a regular employee due to the impending or actual layoff of a regular employee. A temporary appointment may be served by a regular, extra help, project, or probationary employee and will not exceed six months without Agreement between the Union and Employer.

2. UNION/EMPLOYER RELATIONS

- 2.1 All collective bargaining with respect to wages, hours and working conditions of employment shall be conducted by authorized representatives of the Union and authorized representatives of the Employer. During the time when the provisions of this Agreement are

in force and effect, negotiations pursuant to Section 28, "Savings Clause", and/or Section 29 "Termination/Reopener" shall be as follows:

2.1.1 Release Time. Not more than three (3) bargaining unit members shall be allowed to participate in contract negotiations on Employer paid time, unless mutually agreed upon by both parties. No such attendance on Employer's time shall occur at a time where a critical service, as determined by the Employer and/or designee, to the public would be interrupted or withheld.

2.1.2 The Union, through its represented employees, shall be allowed, collectively and aggregately 96 hours of employee work time for negotiations involving a total contract re-opener, or 45 hours of employee work time for a partial contract re-opener. Additional hours may be allowed by mutual agreement of the parties in the event of unusual circumstances.

2.1.3 The Shop Steward or Union representative shall also be permitted to post appropriate meeting notices and general Union information on employee bulletin boards, emails, faxes or other county-maintained means of communication.

2.2 Agreement reached between the parties to this Agreement shall become effective when signed by designated representatives of the Employer and the Union.

2.3 Labor/Management meetings shall be held quarterly, if requested by the Union or the Employer, and may be held more often upon mutual agreement of the parties.

3. MANAGEMENT RIGHTS

3.1 Customary Functions:

3.2 Except as expressly modified or restricted by a specific provision of this Agreement, all statutory and inherent managerial rights, prerogatives, and functions are retained and vested exclusively in the Employer and its management, including, but not limited to, the rights, in accordance with its sole and exclusive judgment and discretion:

3.2.1 to take whatever action is either necessary or advisable to determine, manage and fulfill the mission of the organization and to direct the Employer's employees;

3.2.2 to reprimand, suspend, discharge or to otherwise discipline employees for just cause;

3.2.3 to determine the number of employees to be employed;

3.2.4 to hire employees, determine their qualifications, and assign and direct their work;

3.2.5 to evaluate employees' performances;

3.2.6 to promote, demote, transfer, lay off and recall to work employees;

3.2.7 to set the standards of productivity, the services and products to be produced;

- 3.2.8 to determine the amount and forms of compensation for employees;
 - 3.2.9 to maintain the efficiency of operation; to determine the personnel, methods, means, and facilities by which operations are conducted;
 - 3.2.10 to set the starting and quitting times and the number of hours and shifts to be worked;
 - 3.2.11 to use independent contractors to perform work or services;
 - 3.2.12 to subcontract, contract out, expand, reduce, alter, combine, transfer, assign, or cease any job, department, operation or service;
 - 3.2.13 to control and regulate the use of facilities, equipment, and other property of the Employer;
 - 3.2.14 to introduce new or improved research, production, service, distribution, and maintenance methods, material, machinery, and equipment;
 - 3.2.15 to determine the number, location and operation of departments, divisions, and all other units of the Employer;
 - 3.2.16 to issue, amend and revise policies, rules, regulations, general orders, administrative directives, and practices.
- 3.3 Non-Waiver. The Employer's failure to exercise any right, prerogative, or function hereby reserved to it, or the Employer's exercise of any such right, prerogative, or function in a particular way, shall not be considered a waiver of the Employer's management right to exercise such right, prerogative, or function in a particular way, shall not be considered a waiver or other limitation of the Employer's ability to exercise any such right, prerogative, or function. However, the Employer recognizes that RCW 41.56 may impose an obligation for Employer to negotiate changes in wages, hours, and working conditions not covered by this agreement.
- 3.4 Employer Options. The Employer and the Union hereby recognize that delivery of services in the most efficient, effective and courteous manner is of paramount importance to the Employer, and as such, maximized performance is recognized to be an obligation of employees covered by this agreement.
- 3.5 Performance Standards. The Employer shall have the right to establish and maintain performance standards. Such standards that are in effect may be used to determine acceptable performance levels, prepare work schedules, and measure the performance of employee. No revision of performance standards and/or policies shall be made without prior notification to the Union.
- 3.6 All employees and management shall familiarize themselves as to the laws, rules, regulations, directives and customs governing conduct and procedure in their jobs. Employees shall endeavor to establish and maintain satisfactory relations with the public, to report to work promptly and regularly, and to devote full skill, care and effort to the job. All reports, suggestions, requests and inquiries to a higher authority shall be routed through immediate

supervisors. If requested by the Employer or designee, an employee shall acknowledge in writing receipt of a copy of any new policy/procedure. The employee shall read the policy within two (2) working days of the time of receipt and sign to acknowledge receipt.

- 3.7 Should there be any conflict between County Resolutions and this Agreement, the Agreement shall prevail as long as the agreement does not violate state or county statute.

4. SENIORITY, JOB BIDDING, VACANCIES, PROMOTIONS, PROBATION & TRIAL PERIODS

- 4.1 Seniority: Each employee shall have seniority standing equal to such employee's continuous length of service with this Employer in a position within this bargaining unit.

- 4.1.1 Seniority shall be terminated by separation from County employment whether by discharge or resignation. Seniority shall be adjusted by the duration of absence in cases of Employer granted leave of absence unless specified differently in this Agreement or applicable appendices. An Employee granted leave of absence due to illness and/or disability shall not result in an adjustment of the employee's seniority date.
- 4.1.2 An updated seniority list shall be provided annually in January. Any return to employment with Employer after a separation or break in active service with Employer, other than layoff status or time loss under Workers' Compensation, shall constitute a new seniority reference date, in which case the previous employment seniority date shall be of no consequence. Time away from employment while on layoff status, Section 25, or leave of absence, Section 18, shall not cause total loss of original seniority position, but such period shall cause the previous seniority hire date to be advanced in time by the amount of calendar days absent so as to provide a new adjusted seniority hire date.

4.2 Job Bidding

- 4.2.1 When the Employer decides to fill a vacancy, other than a temporary vacancy, in an existing or new job classification which has been determined to be part of the bargaining unit, the Employer will fill the position as follows:
- 4.2.2 First, the most senior candidate on the recall list who has the competencies, skills, and abilities required for the position will be offered the position as described in the Layoff/Bumping/Recall Section of this Agreement.
- 4.2.3 If the position is not filled by a candidate on the recall list, then the Employer will post the job opportunity online and/or email notice to the Union and/or advertise on employee bulletin boards for at least five (5) business days to give bargaining unit employees an opportunity to apply. The notice will indicate the specific job classification, salary range, minimum qualifications, and the application process.
- 4.2.4 Applications for job openings shall be in writing and shall be submitted to the Employer for consideration. During the first review of applications the Employer will only consider qualified bargaining unit members who apply. If only one *qualified* bargaining unit member

applies, they shall be appointed to the open position. The Employer may consider external applicants if they believe that no bargaining unit members meet the minimum qualifications, but will give preference to any qualified bargaining unit member who applies as stated in this section.

4.3 Job Vacancies.

- 4.3.1 Each department director may, at the director's discretion, appoint a hiring committee to fill vacant positions. The director shall give due consideration to the recommendation of the hiring committee.
- 4.3.2 All employees covered under this agreement shall have the right to bid to transfer to an open position, provided they meet the minimum qualifications as stated in the job description. The determination of whether a candidate meets the minimum qualifications shall be made by the Employer, and may be based upon any or all, of the following: a written application, interview, testing, and/or a review of past job evaluations. In the event that the Employer determines that there are two (2) or more qualified bargaining unit candidates with equal qualifications, ability, training and experience, the candidate holding the most seniority within the bargaining unit shall be offered the position.
- 4.3.3 Should a question arise about the required qualifications of a bargaining unit employee bidding for any position covered by this agreement, the matter shall be taken up with the Department Director. The decision of the Department Director will be final.

4.4 Promotions

- 4.4.1 Applications for promotion shall be in writing and submitted to the Employer for consideration.
- 4.4.2 A written and/or oral examination may be required for all promotional or vacant positions. The minimum qualifications for the promotional or vacant position shall not be arbitrarily reduced after applications have been taken and examinations have been conducted. In the event the minimum qualifications are reduced, the application process shall be reopened using the reduced qualifications.
- 4.4.3 Promotions or changes in job classifications shall be considered temporary for a period of thirty (30) days from the date of promotion or change, while the employee is serving a trial period. An employee who accepts a new position will be allowed to revert to their former position if they request to do so within the first thirty (30) days of their trial period. If, during the first thirty (30) days of their trial period, the Employer decides the employee is unsuited for the job, the Employer may revert the employee to their former job classification and applicable salary range and step.
- 4.4.4 Probationary and trial periods provide the employer with an opportunity to observe and assess an employee's work and to train and aid the employee in adjusting to the position in order to determine if the employee will be successful in carrying out their job responsibilities.
- 4.4.5 The probationary period is the initial period of employment in a regular position. During such period, the employee is considered 'at-will' and may be separated for any non-discriminatory

reason. A probationary period is six (6) months long, except for positions listed in the appendices which will serve a twelve (12) month probationary period.

- 4.4.6 If the Employer determines that it would be beneficial to the employee to extend their probationary or trial period, they may do so upon mutual agreement between the Union and Employer.
- 4.4.7 An employee who promotes/changes from one job classification to a higher range job classification shall be placed at the nearest step which will provide a minimum of five percent (5.0%) increase in salary on the salary range of the job classification to which the employee is promoted. If the top of that range is less than five percent (5.0%), the top of the range shall be applied. A higher step may be awarded with approval of the Board of County Commissioners or designee.

5. NO STRIKE CLAUSE

- 5.1 The Employer and the Union agree that the public interest requires the efficient and uninterrupted performance of all the Employer's services and to this end, pledge their best efforts to avoid or eliminate any conduct contrary to this objective. The Employer and the Union recognize that the cessation or interruption of the services of the employees is in violation of this Agreement.
- 5.2 During the term of this Agreement, the Union and the employees covered by this Agreement shall not cause or engage in any work stoppage, strike, slowdown or other interference with Employer functions. No employee shall willfully absent himself or herself from his or her position, or abstain in whole or in part from the full, faithful and proper performance of his or her duties of employment for the purpose of inducing, influencing or coercing a change in his or her conditions of compensation, of the rights, privileges, conditions or obligations of employment.
- 5.3 The Union agrees and all employees agree, they shall not, at any time, authorize, instigate, sanction, cause, or participate in any strike affecting the Employer. Strikes shall also be defined to include, but shall not be limited to, slowdowns, stoppages of work, tie-ups, sit-ins, mass absences due to sickness or other reasons, demonstrations, picketing (except where constitutionally permitted) boycotts, obstructionism, or any other form of concerted activity such as disruption, interruption, or interference in any manner or kind whatsoever with any and all operations, facilities or activities of the Employer.
- 5.4 Employees covered by this Agreement who engage in any of the foregoing prohibited actions shall be subject to such disciplinary or discharge actions as may be determined by the Employer including, but not limited to, recovery of any financial losses suffered by the Employer as a result of such prohibited actions.
- 5.5 In the event the Employer and/or his/her designee determines that a breach of any of the foregoing provisions has occurred, the Employer and/or his/her designee shall, as soon as possible, attempt to notify the Union of the alleged breach.

6. EMPLOYEE DISCIPLINE & DISCHARGE

- 6.1 An employee shall not be disciplined and/or discharged except for just cause. Just cause shall be as defined in the Enterprise Wire Co. and Enterprise Independent Union, March 29, 1966, 46 LA 359.

Listed, but without limitation, the forms of discipline shall generally include the following:

- a) Oral Warning. This type of discipline should generally be used for infractions of relatively minor degree. The Employer and/or designee should endeavor to inform the employee, in private, that it is an oral warning and that the employee is being given an opportunity to correct the condition. If the condition is not corrected, the employee may be subject to more severe disciplinary measures. Oral warnings are not subject to the grievance procedure.
- b) Prior to proceeding to steps c), d) and e), the Employee shall be advised of his/her rights to Union representation.
- c) Written Warning. This notice will generally be issued by the Employer and/or designee in the event the employee disregards an oral warning or if the infraction is severe enough to warrant a written record in the employee's personnel file. The Employer will set forth in the notice the nature of the infraction.
- d) Demotion. This form of discipline is generally administered when the employee's actions or inactions have continued or recurred after being advised of misconduct, or failure, or after commission of a serious act of misconduct or when unable to adequately perform the responsibilities of the position held.
- e) Suspension. This form of discipline is generally administered as a result of a significant infraction or violation or for documented on-going deficient performance/behavior problems. This includes the employee showing a pattern of less serious violations and/or exhibits an unwillingness to correct his/her performance.
- f) Discharge. This form of discipline results in termination of employment. If in the opinion of the Employer, the infraction(s) is (are) so severe as to necessitate immediate termination, the Director and/or his/her designee should take action by placing the employee on suspension with or without pay until circumstances are reviewed prior to final action. A predetermination hearing in which the employee is advised of the basis for discharge shall occur prior to a termination.

The employer shall not be required to apply concepts of progressive discipline when imposing a sanction and may use whatever discipline appropriate to the situation.

- 6.2 An employee and the Union shall be notified within fourteen (14) calendar days from the time that management becomes aware of an infraction or potential infraction that disciplinary action may be taken against an employee or of an investigation to be conducted regarding said infraction or potential infraction.

6.3 An employee has the right to review his/her file once per year. At the time of such review, the employee may request that any written disciplinary actions included in his/her file that are two years old or more be removed. If there have been no subsequent disciplinary actions within that two-year period, then the notices may be removed. If the request for removal of an action from the employee's file is denied, then a written explanation of the denial will be attached to the request.

6.4 Investigations

6.4.1 Employees have an obligation to cooperate with any investigation conducted by the Employer. Failure to do so will be considered insubordination and will be grounds for discipline, up to and including termination.

6.4.2 Whenever an employee is being interviewed by the Employer in circumstances that may lead to disciplinary action against the employee, the employee will be advised prior to the start of the interview of the subject of the interview.

6.4.3 Employees are entitled, at their option, to have Union representation during any investigatory interview conducted by the Employer that the employee reasonably believes may result in discipline of the employee. During any such investigatory interview, a participating Union representative will be given the opportunity to ask questions, offer additional information and counsel the employee, but may not obstruct the Employer's investigation.

6.4.4 The Employer may, at its discretion, place employees on paid administrative leave during personnel investigations. Employees on such paid administrative leave must remain available during their normal hours of work. Paid administrative leave is not considered to be discipline and is not subject to the grievance procedure.

6.4.5 Any interview and questioning of an employee shall be conducted during the employee's shift unless the urgency of the matter dictates otherwise, or the employee is agreeable to meet at another time.

6.4.6 At the time of completion of the investigation of a non-criminal, possible disciplinary matter, the Employer shall notify the employee in writing of such completion as soon as reasonably possible.

6.4.7 The employee shall receive a copy of any disciplinary material made a part of the employee's file.

7. **GRIEVANCE PROCEDURE**

7.1 Election of Remedies. For purposes of this Section, a grievance is defined as a dispute or complaint arising under and during the term of this Agreement, raised by an employee or the Union, involving an alleged misapplication or misinterpretation of an express provision of this Agreement. This grievance procedure shall be the exclusive means for resolving such grievances.

- 7.2 Appeals of Discipline. Employees (other than probationary employees) may appeal a disciplinary action other than an oral warning through the grievance procedure as provided in this section.

Any disciplinary action except for oral warnings may be appealed through Step 2 of the grievance procedure.

Disciplinary demotions, suspensions and terminations may be appealed through Step 3 of the grievance procedure.

- 7.3 A probationary employee shall be considered an “at will” employee and shall not have access to the grievance procedure over discipline or discharge.

- 7.4 Definitions/Timelines. Time limits within the grievance procedure may be waived or extended by the mutual agreement of both parties. If the Union, on behalf of the employee, fails to act or respond within the specified time limits, the grievance will be considered waived. If the Employer fails to respond within the specified time limits, the grievance shall proceed to the next available step of the grievance procedure.

7.5 **Steps.**

7.5.1 Step One. The Union, on behalf of the aggrieved employee, shall submit the grievance in writing to the Department Head within fourteen (14) calendar days of the occurrence of events giving rise to the grievance. In the case of an alleged underpayment or overpayment of wages, the complaining party shall submit the grievance to the other party within a reasonable period of time after discovery of the alleged discrepancy, not to exceed a period of time of three (3) years. At this step one of the process, alleged overpayments of wages shall be submitted by the Employer to the designated bargaining Union representative. The written statement shall include the facts giving rise to the grievance, the section(s) of the Agreement allegedly violated, and the remedy sought. The Department Head or Union representative, as applicable, shall respond to the grievance in writing within fourteen (14) calendar days of its receipt.

7.5.2 Step Two. Should Step One fail to resolve the grievance, the Union shall, within fourteen (14) calendar days after receipt of the Department Head’s response, submit the grievance in writing to the Board of County Commissioners or designee. At this step two of the process, alleged overpayments of wages shall be submitted by the Employer to the President of the Local Union. The Board of County Commissioners or designee, or Union President, as applicable, shall respond in writing within fourteen (14) calendar days following receipt of the Union’s grievance.

7.5.3 Step Three. Should Step Two fail to resolve the grievance, the Union shall, within fourteen (14) calendar days after the Union’s receipt of the Board of County Commissioners or designee’s decision, give written notice to the Employer of its intent to submit the grievance to arbitration.

- 7.6 Within fourteen (14) calendar days of the Employer’s receipt of the Union’s request to arbitrate, a representative of the Union and a representative of the Employer shall meet and

attempt to agree on a neutral arbitrator. If unable to reach agreement, they shall request a list of eleven (11) arbitrators from the Public Employee Resolution Council (PERC).

- 7.7 Within fourteen (14) calendar days following the receipt of the list of eligible arbitrators, the parties or their representatives shall meet to select an arbitrator. The parties shall each strike five arbitrators from the list in an alternating order, and the remaining arbitrator shall hear the dispute. The party exercising the first strike shall be the loser of a flip of a coin.

7.7.1 The arbitrator shall have no power to render a decision that will add to, subtract from, alter, change, or modify the terms of this Agreement, and his or her power shall be limited to interpretation or application of the express terms of this Agreement. All other matters shall be excluded from arbitration.

7.7.2 The arbitrator shall rule only on the basis of information presented in the hearing and shall refuse to receive any information after the hearing except in the presence of both parties and upon mutual agreement.

7.7.3 The decision of the arbitrator shall be final, conclusive and binding upon the Employer, the Union, and the employees involved, provided the decision does not involve action by the Employer which is beyond its jurisdiction.

7.7.4 Each party shall bear its own costs associated with the arbitration, including its attorneys' fees, and shall pay one-half of the cost of the arbitrator.

7.7.5 The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) days after the case is submitted to the arbitrator.

7.7.6 Arbitration awards or grievance settlements shall not be made retroactive prior to the date of the occurrence or nonoccurrence upon which the grievance is based.

- 7.8 Mediation. As an alternative or supplement to the grievance procedure or for such other purposes as the parties may mutually determine, the parties may invoke a mediation process to resolve grievances or other issues between them as provided herein. As contemplated by this Section, mediation involves the use of a third party, to serve as a Mediator, using contemporary mediation techniques. A decision to utilize a Mediator shall be voluntary by both parties and subject to the following understandings:

7.8.1 The Mediator shall be a mutually acceptable PERC staff representative, or in the alternative, the parties may share equally the cost of employing a fee-based professional Mediator. The parties may choose to strike names from a list, employ a standing panel or select on a case-by-case basis.

7.8.2 If the parties agree to enter into mediation, the Mediator shall attempt to assist the parties in achieving a voluntary resolution. The Mediator will not have the authority to force either party to accept a particular resolution. If the parties are unable to reach resolution, the Mediator, if the parties mutually agree, may be requested to offer a bench option.

7.8.3 Settlement discussions by the parties during mediation may not be introduced during any subsequent arbitration or PERC proceedings, nor may the comments by the

Mediator be referenced

8. WAGES

8.1 Wages

8.1.1 Each employee shall be assigned a job classification as specified in his/her applicable Appendix and paid accordingly. This base rate of pay shall be used in calculating holiday, vacation and sick leave compensation.

8.1.2 The Union recognizes the Employer's right to establish new job classifications and following the County's classification process for job reclassification, and the compensation appropriate thereto. The Employer recognizes the Union's right to bargain the compensation if it should disagree with the rate initially established by the Employer.

8.2 Cost Of Living Adjustment (COLA)

8.2.1 Effective January 1, 2026, the salary schedule will be increased by 2.7%.

8.2.2 Effective January 1, 2027, the salary schedule will be increased by the amount of the CPI-U West Size Class B/C as measured for the year ending June 2026, with a minimum of 1.5% and maximum of 3.0%.

8.2.3 Me Too Clause: Should the County award COLA's in excess of the amount defined in this contract to the non-represented or other bargaining units with the exception of interest arbitration groups, market-defined positions, and elected officials, this bargaining unit shall receive the same.

8.3 Job Classifications

8.3.1 The employer agrees to notify the Union of promotions and reclassifications within the applicable bargaining unit.

8.3.2 The union will be provided notice of existing bargaining unit job description changes in a reasonable time before implementation.

8.3.3 An employee working out of classification shall be paid in accordance with the following: Any employee assigned to work out of classification, in a higher paid classification, by direction of the Employer or designee, shall be compensated for all actual hours worked at that higher classification's lowest rate of pay, provided, such placement shall, in any event, be a minimum of a five percent (5.0%) increase in salary. However, if the top step of the higher range is less than five percent (5.0%), then the top step shall be the rate of pay. No employee shall suffer a reduction in pay when temporarily directed to perform work in a lower paid classification.

8.3.4 If assigned out of class work by direction of the Employer or designee, it shall be the employee's responsibility to claim this working out of classification pay by means of submission of the claim on an applicable monthly time reporting system. Any claim not so noted within thirty (30) calendar days of the time of accrual, shall be void. Notwithstanding

the foregoing, employees participating in cross-training and employees performing minimum tasks in the higher classification by reason of fill in for the absent higher classification employee, shall not be entitled to working out of classification pay.

8.3.5 In the absence of the regular appointed supervisor of a work unit, the employer may appoint an Acting Supervisor from within the work unit. The selection of the Acting Supervisor shall be at the sole discretion of the Employer. The Employer may develop a job description for the Acting Supervisor's work responsibilities and shall provide limited training for the Acting Supervisor. Acting Supervisors shall be appointed by the Employer with the concurrence of the employee selected for the position. The Acting Supervisor position shall not extend beyond six calendar months, unless by mutual agreement between the Union and Employer. The Acting Supervisor will be paid a flat rate of \$2.00 per hour in addition to the employee's then current wage.

8.3.6 The Employer shall conduct a compensation study with comparable counties for the job classifications covered by this agreement within the first six months of 2026, with the objective of considering bringing any classification below the 50th percentile up to the 50th percentile. Comparable counties include counties whose population and assessed value are +/- 50% of Lewis, and are, at this time, as follows: Chelan, Clallam, Cowlitz, Franklin, Grant, Grays Harbor, Island, and Mason counties.

8.4 **EFFECTIVE DATES OF PAY OR BENEFIT LEVEL INCREASES**

8.4.1 An employee's service date represents their original date of hire with Lewis County in a regular position without a break in service. This date permits an employee who has prior service with another County department to maintain benefit accrual levels provided that such employment had been continuous with the County. This date is used for years of service recognition, longevity, vacation leave accruals increase, and step increases.

8.4.2 An employee hired on/after January 1, 2026 will have their Step Increase Date set as their Service Date annually. Employees who have had their step increase date adjusted prior to January 1, 2026 due to a change in positions will retain the same Step Increase Date.

8.4.3 Employees who have a service date between the first (1st) and fifteenth (15th) of the month will be assigned a Step Increase Date of the first (1st) of that month. Employees who have an anniversary/service date between the sixteenth (16th) and the last day of the month will be assigned a Step Increase Date of the 16th of that month.

8.4.4 Employees shall advance one step per year on their Step Increase Date on the salary schedule until they reach the top step of the pay range for their job classification.

8.5 **LONGEVITY PAY**

For each year of continuous service beginning with the first day of the pay period in which the employee begins their eighty-fifth (85th) month with this Employer, as measured from the employee's service date, the employee shall receive longevity pay as described below:

After Seven (7) years	\$50.00 per month
After Eight (8) years	\$60.00 per month
After Nine (9) years	\$80.00 per month

After Ten (10) years	\$100.00 per month
Each year after Ten (10) years	An additional \$10.00 per month

If an employee is considered regular part-time, then a prorated rate of pay commensurate to a full-time status shall be calculated.

Should the County award a contribution level in excess of the amount defined in this contract to the non-represented or other bargaining units with the exception of interest arbitration groups, market-defined positions, and elected officials, this bargaining unit shall receive the same.

9. PAYDAY

9.1 The payday for all work performed the first (1st) through the fifteenth (15th) of the calendar month shall be paid on the twenty fifth (25th) day of the month. If the tenth (10th) or twenty fifth (25th) falls on a non-workday, i.e., Saturday, Sunday, or Courthouse holiday, the payday shall be the first workday preceding the tenth (10th) or twenty fifth (25th). Earned overtime shall be subject to payment on the pay date following the pay period in which such overtime was earned.

9.2 For the purpose of this Section, “workday” shall mean a day the Courthouse is open for business.

10. CDL AND DRIVER’S LICENSES

10.1 When a CDL is required as a job classification prerequisite, the employee shall obtain and maintain such license. The employer shall reimburse the employee for the cost of the CDL endorsement renewal minus the cost of the driver's license renewal and any other endorsements not required by the employer for the performance of the job. After an employee successfully completes their probationary period, the Employer shall reimburse expenses associated with employee’s required CDL physician’s exam. This allowance shall only be paid at a maximum of one time per year. Supervisor’s signature on the personal reimbursement form, signifies the supervisor has verified the renewed medical credentials and authorizes payment to the employee. The physical exam shall be performed on employee’s personal time. Employee shall be eligible for sick leave if the exam is scheduled during normal working hours.

- 11.6 In the event that the incumbent health insurer or County provides notice of its intention to cease to insure the Employees in whole or in part, the parties shall proceed as follows:
 - 11.6.1 The parties shall meet promptly to bargain successor insurance coverage.
 - 11.6.2 If their bargaining is unsuccessful, the County shall enroll each Employee in an insurance plan available to it and to all or the Employees through an insurer with which the County then obtains group health insurance for other of its employees. The parties then shall bargain over the effects of the change.
 - 11.6.3 In either event, the Employer shall pay a sum per Employee each month, up to the amount set out in Section 11.1 through and 11.3.
 - 11.6.4 Me Too Clause: Should the County award a contribution level in excess of the amount defined in this contract to the non-represented or other bargaining units with the exception of interest arbitration groups, market-defined positions, and elected officials, this bargaining unit shall receive the same.

- 12.10 Groups that participate in vacation bidding will be identified as such by December 15th each year. Seniority shall be utilized in the approval of vacations on those requests submitted prior to January 15th of each calendar year. Vacations selected by seniority during the early bid shall be limited to a maximum of two (2) weeks on the first round. Additional vacation time may be bid which exceeds the previously bid two (2) weeks after the bidding cycle has gone through one (1) cycle. 13.4.2 Definition of household member for sick leave use: any individual who regularly resides in the employees' home or where the relationship creates an expectation of care for the person, and that individual depends on the employee for care. It does not include a household member who simply resides in the same home with no expectation that the employee care for the individual.

13.5 Employees must give reasonable notice to their supervisor or designee for the use of sick leave.

13.5.3 Employees must provide enough information regarding the general reason for requesting sick leave for the employer to determine what type of leave is appropriate (i.e. sick leave, FMLA, PFML, workers compensation.) If the employee does not provide this information, the employer may inquire as to the reason for sick leave.

13.6 The Employer may require an employee to produce a letter from a medical provider showing necessity of attendance or absence for more than three (3) consecutive workdays. Verification may not result in an unreasonable burden or expense on the employee in accordance with WAC 296-128-660.

13.7 An employee returning to work after any sick leave absence may be required to provide written certification from their health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

13.8 Employees who have a disability may request a reasonable accommodation to enable them to perform the essential functions of their position. An employee who cannot be reasonably accommodated may be subject to a non-disciplinary disability separation. The Employer will provide at least seven (7) days' advance notice to the employee and the Union prior to the intended effective date of a disability separation.

13.9 Employees shall notify their Supervisor immediately of any and all on-the-job injuries and complete any forms necessary for reporting in a timely manner.

13.10 In case of injury or occupational illness, employees may, at the employee's option, be paid the full difference between Workers' Compensation and their normal paycheck, and this will be deducted from accrued sick leave or accrued vacation leave in units of one hour so long as such accrued leave is available; provided, however, the employee's election must be timely made so as to provide notice sufficient for Employer to make necessary payroll deductions. For a period not to exceed six (6) months, the Employer shall pay the group health insurance premium at the level of contribution set forth in this agreement.

- 13.11 At the time of separation from service other than for cause, an eligible employee, or in the case of death, the employee's estate, shall receive remuneration at a rate equal to one (1) hour's current monetary compensation of the employee for each two (2) hours of accrued sick leave to a maximum of three hundred sixty (360) hours of pay. In the event that an employee is re-hired by the County within 12 months of having terminated employment with the County, only those sick hours which were not previously cashed out shall be restored upon re-hire. Any sick leave hours restored to a re-hired employee shall have no cash value and shall be excluded from any subsequent cash out payment.
- 13.12 Sick Leave Abuse. When the Employer suspects sick leave abuse and notifies the employee, they will be given reasons for that suspicion and may be required to provide a written medical certificate for any sick leave absence. The Employer will not require continuous medical verification for longer than twelve (12) months as a result of the Employer suspecting abuse. The Employer will not adopt or enforce any policy that counts the use of sick leave for an authorized purpose as an absence that may lead to or result in discipline. An authorized purpose is sick leave used in accordance with the terms and conditions of this Agreement, Agency Policy and RCW 49.46.210 (Paid sick leave). The Employer will not discriminate or retaliate against an employee for the use of paid sick leave. Employees who are found to be abusing sick leave, untruthful or falsifying documentation may be subject to disciplinary action for just cause.

20.3 An employee's assigned work schedule may be changed with seven (7) days' prior notice to the employee, unless an earlier notice period is mutually agreed upon. The Employer may direct the employee to start their next day's work shift early, if communicated prior to the employee leaving the worksite.

20.4 Alternate Work Schedules. Workweeks and work shifts of different numbers of hours may be established for employees by the Employer in order to meet business and customer service needs, as long as the alternative work schedules meet federal and state laws. An alternate work schedule is any work schedule other than five days per week, eight hours per day. Examples of alternate work schedules include: 4 10-hour shifts with three days off per week, or 9 shifts in which the employee works a total of 80 hours, with two days off one week and three days off every other week.

20.5 Holidays for Alternate Work Schedules. Holidays occurring on a scheduled day off will be taken on the nearest regular working day, or by mutual agreement of management and the affected employee. Employees shall receive holiday pay commensurate with the number of hours regularly occurring on their schedule. Thanksgiving Day Example: Standard Work Week employees receive eight (8) hours holiday pay each, for Thursday and Friday. Employees on a 9-80 schedule the week of Thanksgiving may receive nine (9) hours and eight (8) hours holiday pay for Thursday and Friday, respectively. If Friday is their regularly scheduled day off, the holiday is moved to Wednesday, and employees receive nine (9) hours holiday pay each for Wednesday and Thursday.

20.6 The Employer will assign a work schedule to an employee upon hire. Employees may request to work a different work schedule.

20.7 The Employer may disapprove requests for work schedule adjustments if there are performance or attendance concerns. Previously approved alternate work schedules may be rescinded by the Employer if business and customer service needs are no longer being met, or if performance and attendance concerns occur.

20.8 Employees will be assigned a primary duty station or worksite which is where they normally start and end their shift. Time spent traveling away from this worksite as part of their official job duties counts as time worked. If an employee's travel includes an overnight stay, the County travel policy will apply.

20.9 Meal and Rest Breaks.

20.9.1 Each employee shall be allowed an unpaid meal period of at least thirty (30) minutes which commences no less than two (2) hours nor more than five (5) hours from

the beginning of the shift. No employee shall be required to work more than five (5) consecutive hours without a meal period. Employees working three (3) or more hours longer than a normal workday shall be allowed at least one thirty (30)-minute meal period prior to or during the overtime period.

20.9.2 Each employee shall be allowed a rest period of fifteen (15) minutes in duration, on the Employer's time, for each four (4) hours of working time. Rest periods shall be scheduled as near as possible to the mid-point of the morning and afternoon work periods. No employee shall be required to work more than three (3) hours without a rest period. Where the nature of the work permits an employee to take an intermittent rest period equivalent to fifteen (15) minutes for each four (4) hours worked, scheduled rest periods are not required.

20.10 **Fatigue Time / Emergencies**

20.10.1 Both the Employer and the Union agree that employee safety is the top priority, especially when overtime is worked. Therefore, except in the case of an emergency and as authorized by the Department Head, or their designee, employees will not be permitted to work more than sixteen (16) consecutive hours within a twenty-four (24) hour period.

20.10.2 An employee who works sixteen (16) hours or more within a twenty-four (24) hour period and has less than eight (8) continuous hours of off-duty time before the start of their next scheduled shift shall not report to work until they have had eight (8) hours of off-duty time. The employee will be compensated at their regular rate of pay for the time between their scheduled start of shift and the time they report to work with no debit to any leave banks.

20.10.3 If, due to operational necessity, an employee is required to return to work prior to receiving the eight (8) hour rest break, compensation will be at one and one-half (1 ½) times the regular rate of pay for those hours worked. This rate of pay will continue until such time that the employee receives eight (8) consecutive hours off duty.

20.10.4 An employee who works sixteen (16) hours or more within a twenty-four (24) hour period and works past the start of their next scheduled shift will be relieved of duty at the completion of the task causing the excess work, for eight (8) hours, and will be compensated at their regular rate of pay with no debit to any leave banks. In the interest of employee safety, an employee who can reasonably anticipate working sixteen (16) or more hours under this section, shall, before reaching work hour fourteen (14), notify their supervisor of how many total hours they have worked.

20.10.5 If at any time during extended hours an employee feels that they cannot safely continue working, that employee will notify their supervisor and will be relieved of duty immediately. In this event, employees may choose to take the remainder of their scheduled shift off, subject to the approval of their supervisor. The employee must use accrued sick leave, vacation, or compensatory time to cover the balance of the time off from their scheduled shift. If the employee does not have any accrued leave balances, they may take leave without pay to cover the balance of the time off from their scheduled shift.

20.11 **Call-In & Call-Back Provisions**

20.11.1 Call-In is a directive requiring an employee to perform work outside of their scheduled shift. Call In shall apply when an employee reports to work, at the Employer's request, prior to the start of the normal workday. Call Back shall apply when an employee has left the work site after completing the workday and is then called back to work by the Employer.

20.11.2 Employees who are called in/back shall be compensated at time and one half (1 ½) for all time worked with a minimum of three (3) hours pay. Such minimum guarantee shall not apply to those hours that are an extension of the employee's normal work hours. The Call-In/Call-Back provisions shall not apply if the employee has been notified prior to the end of the workday to report to work prior to the start of the following normal workday.

20.11.3 If the employer has approved a new work schedule in accordance with this agreement, the Call-In/Call-Back provisions shall not apply.

20.11.4 If applicable, the Employer shall call the first person on the rotation list that is a certified operator.

20.12 **Overtime.**

20.12.1 Overtime pay allowances to employees shall be as follows: All work performed in excess of the employee's daily shift, or forty (40) hours in a workweek shall be paid at one and one-half (1½) times the regular rate of pay, except as provided by supplemental agreement. The determination of whether to pay overtime on a daily or weekly basis is based on business needs, such as specific funding for a project, and at the discretion of the Department Head.

20.12.2 An employee shall be paid at the overtime rate for all time worked prior to their regular workday starting time, unless the Employer provides notice prior to the end of the preceding workday of the change of starting time, or as otherwise agreed upon.

20.12.3 Overtime Opportunity. Overtime opportunities will be offered to regular full-time employees prior to being offered to extra-help employees. Straight-time hours may be offered to regular part-time or extra help employees prior to offering overtime. Under no circumstances shall work be stopped, suspended or delayed while waiting for an employee to accept the overtime opportunity.

20.13 **Compensatory Time.** Upon Approval of the Employer, an employee may accrue compensatory time in lieu of receiving overtime wages. Compensatory time shall accrue at time and one-half for each overtime hour worked and shall be subject to the following conditions.

20.13.1 An employee shall not be allowed to accumulate more than one hundred and twenty (120) rolling hours of compensatory time. Compensatory time is cumulative from year to year to the aforementioned maximum.

20.13.2 With the prior approval of the Employer, an employee may convert to pay all or part of accrued compensatory time, to be paid at the accruing employee's current

applicable rate of pay. A request for cash out of accrued compensatory time shall be made in writing, specifying the number of hours to be cashed out, and submitted to the Employer or their designee for consideration.

20.13.3 Compensatory time off shall be scheduled with the approval of the Employer. Compensatory time off may be utilized in quarter (.25) hour increments.

20.13.4 Compensatory time shall be cashed out when (a) the employee leaves their overtime-eligible position, (b) the employee leaves the department/office where they accrued the compensatory time or (c) upon separation from County service.

21 UNION SECURITY & ORIENTATION

Both the Union and the Employer agree to abide by the law as to orientation, payroll deduction, and membership. The Union shall have up to a sixty (60) minute orientation with each new employee. Any employee who wishes to become a member of the Union shall sign and deliver to the Union, who shall forward to the County, an authorizing consenting to the deduction of dues, fees, costs, charges, and assessments for membership in the Union. The Employer shall provide an electronic copy of the Authorization for Payroll Deduction and Representation via email to the Union's designated representative within 10 days of the employee executing the document.

22 RETIREMENT

22.1 All employees shall be covered under the provisions of the Public Employees Retirement Systems and Social Security.

22.2 Employees planning to retire shall, if possible, give at least sixty (60) days notice to their Supervisor.

23 PROJECT EMPLOYMENT

23.1 The Employer and the Union agree that Project Employment shall be defined as employment which groups together employees whose length of service is contingent upon federal, state, or other grant funding for specific, non-continuing projects.

23.2 Project employees shall not be used to reduce or replace the number of regular employees.

24 SAFETY COMMITTEE

24.1 The Employer and the Union shall designate, in conformity with WAC 296-24-045, designated safety committee crew meetings composed on a supervisor-crew basis.

24.2 Each safety committee crew shall meet monthly, the scheduling of which meeting shall be at the discretion of the respective Supervisor. The length of each meeting shall not exceed one (1) hour. Minutes of each committee meeting shall be prepared and maintained for a period of at least one (1) year, and shall be available for review by appropriate governmental agencies.

24.3 Supervisor-crew safety committee meetings shall address the following:

24.3.1 A review of the safety and health inspection reports to assist in correction of identified unsafe conditions or practices.

24.3.2 An evaluation of the accident investigations conducted since the last meeting to determine if the cause of the unsafe acts or unsafe conditions involved was properly identified and corrected.

24.4 An evaluation of the accident and illness prevention program with a discussion of recommendations for improvement where indicated. The attendance of members and the subjects discussed shall be reflected in each set of monthly minutes.

24.5 At least annually, the Safety Officer shall perform site visits and provide safety training to employees/supervisors.

24.6 The parties agree to provide a semi-annual review of such program for the purpose of making necessary changes which shall be based upon program progress, the practical feasibility of the program, and economic and budgetary considerations; provided, however, the Employer may unilaterally make changes as are consistent with the reservations of privilege under the Management Rights Section of this Agreement.

25 LAYOFF, BUMPING, RECALL

25.1 Should the Employer find it necessary to reduce the work force within the bargaining unit, employees shall be subject to layoff as follows:

25.1.1 If there are temporary or seasonal employees in the department where layoffs are to occur, the temporary or seasonal employees will be laid off first.

25.1.2 The last person hired into the bargaining unit shall be the first person laid off except when a specific position is eliminated.

25.1.3 When a specific position is eliminated, the least senior bargaining unit member in that position is subject to layoff. That member shall have the right to bump to any position to which he/she is qualified at the time and in which the present employee has less bargaining unit seniority. The bumped person may bump in turn in the same manner. The County shall issue a written notice of the action being taken, and the initially and subsequently bumped employees shall have five (5) working days to indicate their decision. If the employee previously held the affected position, he or she shall be permitted a 20-working day trial period to manifest satisfactory performance after which he or she shall be assigned in the position. If he or she is unable to manifest satisfactory performance, he may exercise any additional bumping rights his/her seniority and qualifications allow.

25.2 For the purpose of layoff, seniority shall date from the employee's date of hire into this bargaining unit and shall be based upon uninterrupted service. The Employer shall notify the Union and any affected employee of plans to lay off at least sixty (60) days prior to the intended date of the layoff. Any employee bumped or laid off shall have first chance by seniority to return to his or her former permanent classification for which he or she is then qualified when an opening

in such classification becomes available. Employees laid off shall remain, for a period of eighteen (18) months from date of layoff, on a Recall List maintained by Human Resources in conjunction with the Union. Such employees shall be called back to positions within the bargaining unit for which they are then qualified in the reverse order in which they were laid off. The Employer shall notify the Union and the employee eligible to be recalled of the job opening, and a notice by certified mail will be sent to the employee's last known address. If the employee fails to report for work in one (1) week or to otherwise respond, or if the letter is returned undeliverable, the employee shall forfeit call-back rights and be removed from the list.

26 NON-DISCRIMINATION

- 26.1 There shall be no discrimination by the Union or Employer against any individual with respect to compensation, term or conditions of employment, nor with respect to Union membership, because of race, color, religion, national origin, disability, GINA, sex, sexual orientation, marital status, veteran status, or age except where age, sex, physical sensory or mental capacity is a bona fide occupational qualification. Any violation shall constitute a breach of this agreement.

The County and the Union agree that the application of this agreement and County personnel policies, rules, and regulations will be administered in a uniform manner, considering all relevant circumstances.

No employee shall be discriminated against for exercising the employee's rights as a union member or a non-union member.

- 26.2 Whenever words denoting the masculine gender are used in this Agreement they are intended to apply equally to either gender.

27 MISCELLANEOUS PROVISIONS

- 27.1 No volunteer shall be allowed to function in a capacity or be assigned duties for which the same accountability of regular employees within this bargaining unit is required.
- 27.2 It shall be the policy of the Employer to offer open and available assignments to employees who are in Workers' Compensation status subject to the employee's providing a doctor's release for such work and subject to meeting qualifications for the position.
- 27.3 Bargaining Unit Work. The Employer may contract out work which could be performed by the bargaining unit so long as such contracting of work does not directly cause the loss of an existing position.
- 27.4 The provisions of the Employer's Personnel Policies and Procedures Manual shall apply to all matters involving Employer and employee relations when the terms and conditions of this agreement do not explicitly address the issues and question.
- 27.5 When an employee is required to work either prior to or beyond the regularly scheduled work period (beyond the 5/8, 9/80 or 4/10 workday), either another employee or a Supervisor shall be present during such portion of the extra hours as may be in darkness. "Present" shall mean being physically present at the work site or being in contact with the Supervisor or other department employees or the 911 Center by radio or cell phone.
- 27.6 It is the policy of this Employer and the Union that an exempt position shall not regularly engage

in the performance of work generally considered to be bargaining unit duties. Yet it is understood and agreed that on occasion an exempt employee by reason of emergency, isolated expediency, and/or job interrelationship is permitted to perform bargaining unit work.

- 28** **SAVINGS CLAUSE** If any Section, or part thereof, of this Agreement or any addenda thereto should be held invalid by operation of law or by any Court of competent jurisdiction, or if compliance with or enforcement of any Section should be restrained by such Court, the remainder of this Agreement and addenda shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations to arrive at a mutually satisfactory replacement of such Section or addenda.

29 **TERMINATION/REOPENER**

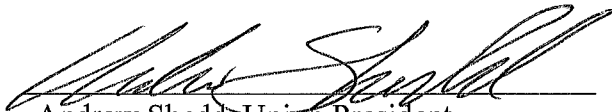

29.1 The effective date of this Agreement shall be January 1, 2026.

29.2 This Agreement will remain in effect from January 1, 2026 to December 31, 2027.

Standby personnel are required to document both the time the callout was received and the time they arrive to the reported location.
