1. INTRODUCTION

1.1. Preamble

1.1.1. This agreement is entered into by and between **LEWIS COUNTY, WASHINGTON**, a political subdivision of the State of Washington, and the **LEWIS COUNTY SHERIFF'S OFFICE**, acting through the elected Sheriff, hereinafter jointly referred to as the "Employer", and the **LEWIS COUNTY DEPUTIES GUILD**, hereinafter referred to as the "Guild".

1.2. Purpose

1.2.1. It is the purpose of this agreement to set forth the entire agreement between the parties and to achieve and maintain harmonious relations between the Employer and the Guild, to provide for equitable and peaceful adjustments of differences, which may arise, and to establish standards of wages, hours, and working conditions.

2. RECOGNITION

2.1. Scope of Bargaining Unit

2.1.1. The Employer recognizes the Guild as the exclusive bargaining representative for those purposes appropriate to the units stated in RCW 41.56 of all classified Civil Service positions under RCW 41.14.070 except Sheriff, Undersheriff, Chief Criminal Deputy, Chief Civil Deputy, Inspector, Director of Property Management, Jail Administrator, clerical office staff (including secretaries and records personnel), Corrections Bureau employees, and reserves.

2.1.2. Reserves. Reserves are volunteers as they do not occupy classified civil service positions under RCW 41.14.070.

- a)** Reserves may, under certain circumstances, receive a stipend not to exceed the minimum base pay of a deputy, as set out in this Agreement.
- b)** Reserves shall not be used to supplant or to "skim" the work of deputies. The tasks assigned to reserves from time to time may include functions which do not require the full skill sets of deputies, including tasks such as the following: Registered sex offender compliance checks, paper service relating to sex offenders and civil situations, prisoner transport, address County Ordinances, and tasks undertaken to assist and under the supervision of an Field Operations supervisor or deputy. Reserves also may work paid contract details/shifts when no deputy is available and willing to work such details/shifts.

- c) In the event the Guild feels that reserves may be encroaching upon deputies' work, it shall bring its concern to the attention of the Employer. If such concern cannot be resolved to the satisfaction of the Guild within 90 days, then, upon a further 30 days' written notice to the Employer, the Employer shall cease to offer stipends to reserves.

2.2. Employee Definitions

2.2.1. Regular Full-Time Employee - An employee regularly scheduled to work an average of one hundred seventy-three and three tenths (173.3) hours per month and who has completed the twelve (12) month probationary period.

- a) The Sheriff has the discretion to authorize individual(s) who laterally transfer and are subsequently hired as a regular full-time (Section 2.2.1) employee (to include during probationary period) within the bargaining unit to receive such recognition and credit as the Sheriff may deem appropriate for their continuous law enforcement experience with previous law enforcement agencies for salary and benefit accrual purposes as set forth in subsection (b).
- b) The salary and benefit accrual placement impacts the following provisions set forth in the Collective Bargaining Agreement:
 - 1) Step placement on the salary schedule (Appendix 16).
 - 2) Vacation accrual placement (Section 7.3).
 - 3) Longevity accrual placement (Section 7.7).
- c) Authorized salary step placement or benefit accrual rates shall not change or otherwise enhance an employee's seniority date (original date of hire) for any other applications under the terms and conditions of the Collective Bargaining Agreement.
- d) Specific salary and benefit accrual levels shall initially be established at the sole discretion of the Sheriff or designee. Once authorized by the Sheriff or designee, the initial salary and benefit step or accrual placement may not be unilaterally rescinded unless salary and/or benefit accrual levels are inadvertently established outside the scope of actual salaries and benefits set forth in the current Collective Bargaining Agreement.
- e) Such employee(s) shall have a benefit accrual date assigned to them for the specific provisions set forth above.

2.2.2. Regular Part-Time Employee - An employee regularly scheduled to work less than one hundred seventy-three and three tenths (173.3) hours per month and who has completed the twelve (12) month probationary period.

2.2.3. Probationary Employee -An employee regularly scheduled to work either full or part-time who has not yet completed the twelve (12) month probationary period.

2.2.4. Provisional Employee -An employee appointed by the Sheriff in accordance with Civil Service Rules and Regulations for a defined period of time.

2.2.5. Trainee Employee -An employee regularly scheduled to work full or part-time that has not yet completed the WSCJTA and the Employers field-training program.

3. GUILD SECURITY

3.1. Membership Requirement

3.1.1. Membership or non-membership in the Guild shall be wholly voluntary and the individual choice of employees covered by this agreement. Any employee who is a member of the Guild or who has applied for membership shall sign and deliver to the Guild, who shall forward to the County, an original assignment authorizing and consenting to the deduction of dues, fees, costs, charges, and assessments for membership in the Guild. In furtherance of this goal, the Guild may have thirty (30) minute orientation with new employees during the employee's work hours at which time, the Guild shall explain the following:

a. Membership in the Guild is voluntary and only when an employee clearly and affirmatively consents to joining the Guild will it collect fees.

b. Should an employee clearly and affirmatively consent to joining the Guild and authorizes deduction dues, such authorization shall continue in effect from year to year unless revoked or changed in writing with thirty (30) days' notice to the Union and County. Employees who are not members of the Guild may make voluntary payments to the Guild by means of payroll deduction by providing written consent to the County. Such payment amounts are those authorized by the employee.

3.1.2. The Guild shall indemnify the Employer and save the Employer harmless against any and all claims, demands, suits, or other form of liability that shall arise out of or by reason of any action taken or not taken by the Employer at the request of the Guild for the purpose of complying with this Article, provided that the action taken is in accordance with such request.

3.1.3. Guild members will be allowed to attend Guild meetings while on-duty. Members so attending will be subject to call and will be expected to respond to their duty responsibilities during the Guild meeting.

3.2. Check Off of Guild Dues

3.2.1. Employees and the Guild shall hold the Employer harmless and shall indemnify the Employer from responsibility for withholding errors and damages flowing there from caused by faulty information furnished by the employees or the Guild, and the Guild shall promptly refund to the employee any amounts paid to the Guild in error.

3.2.2 Within two pay periods after receipt of a properly executed authorization card signed by the employee, the Employer shall deduct from the employee's monthly pay all regular Guild dues and initiation fees uniformly required to maintain the employee in good standing with the Guild. Such deductions are to be transmitted to the Guild each month.

3.3. Guild Representatives

3.3.1. Members of the Guild selected to serve as officers and representatives shall be certified in writing by the Guild President to the Employer. A Guild officer or representative shall be allowed reasonable time to review and process a dispute or grievance during working hours so long as such activity does not unduly disrupt the operations of the Sheriff's Office. The Employer will not incur any overtime liability as a result of exercise of release time by Guild officers and representatives under this section.

3.3.2. Negotiations: The Guild's official representatives for purposes of negotiating will meet with the Employer at mutually agreed upon times. The Employer will not allow more than three (3) of the Guild's official representatives to attend negotiating sessions without loss of pay if those representatives would be on-duty when negotiations are scheduled and operational requirements permit.

If the Guild uses a non-bargaining unit member during negotiations, then only two (2) Guild official representatives will be allowed to attend the negotiation sessions without loss of pay if those representatives would be on-duty when the negotiations are scheduled and operational requirements permit. Off-duty personnel attending negotiating sessions shall not receive any compensation for such attendance.

3.4. Guild Communications

3.4.1. The Employer shall provide suitable space on its premises for a Guild bulletin board. The Employer agrees to allow Guild representatives to use designated bulletin board to post messages concerning Guild business, including scheduling or posting notice of Guild meetings, Labor/Management meeting notices and minutes, and communications with management and representatives of the Guild concerning the administration of the Collective Bargaining Agreement.

3.4.2. It is specifically understood that no notices of a discriminatory or political nature, nor notices that would be offensive to a reasonable person, shall be posted. Each posting shall be initialed and dated, or digitally signed by the Guild official responsible for the

posting. (Note: The County email system is not confidential and these communications may not be private and are the property of Lewis County).

3.4.3. The Employer shall allow the Guild to place a ballot box near the Guild bulletin board. This ballot box is the property of the Guild and will be used to vote on Guild business.

4. MANAGEMENT RIGHTS

4.1. Customary Functions

4.1.1. Except as expressly modified or restricted by a specific provision of this Agreement, all statutory and inherent managerial rights, prerogatives, and functions are retained and vested exclusively in the Employer and its management, including, but not limited to, the rights, in accordance with its sole and exclusive judgment and discretion. The exercise of these rights is subject to the terms and conditions of this Agreement and the requirements of RCW 41.56 to negotiate over changes in mandatory subjects of bargaining and the impacts of changes in permissive subjects on mandatory subjects of bargaining.

4.2. Non-Waiver

4.2.1. The Employer's failure to exercise any right, prerogative, or function hereby reserved to it, or the Employer's exercise of any such right, prerogative, or function in a particular way, shall not be considered a waiver of the Employer's management right to exercise such right, prerogative, or function in a particular way, shall not be considered a waiver of the Employer's management right to exercise such right, prerogative, or function or preclude it from exercising the same in some other way not in conflict with express provisions of this Agreement; however, the Employer recognizes that RCW 41.56 may impose an obligation for the Employer to negotiate changes in wages, hours, and working conditions not covered by this agreement.

4.3. Employer Options

4.3.1. The Employer and the Guild hereby recognize that delivery of services in the most efficient, effective, and courteous manner is of paramount importance to the Employer, and as such, maximized performance is recognized to be an obligation of employees covered by this Agreement.

4.4. Performance Standards

The Employer shall have the right to establish and maintain performance standards. Such standards that are in effect may be used to determine acceptable performance levels, prepare work schedules, and measure the performance of an employee. The

Employer shall have the right to implement and prepare work schedules consistent with the terms and conditions of this Agreement. No revision of performance standards and/or policies shall be made without prior notification of the Guild.

5. EMPLOYMENT POLICIES AND DUTIES

5.1. Non-Discrimination

5.1.1. The Employer and the Guild agree that they will not unlawfully discriminate against any employee by reason of race, creed, age, color, sex, sexual orientation, veteran status, national origin, religious belief, marital status, membership or non-membership in a Guild, or mental or physical handicap.

5.1.2. Alleged violations of the non-discrimination provision shall be processed by submission by the employee of a complaint to the appropriate County, State or Federal agency charged with the enforcement of such discrimination laws for investigation and adjudication of the complaint. The Guild will provide the employee with the name, address, and phone number of the appropriate enforcement agency or agencies.

5.1.3. Whenever words denoting the masculine gender are used in this Agreement, they are intended to apply equally to either gender.

5.1.4. In the event Human Rights Commission jurisdiction is invoked in any matter addressed by this Agreement, no proceeding may be taken under this Agreement with respect to the matter while such jurisdiction is pending, and action under this Agreement shall be superseded in the event of conclusion of the matter before the Human Rights Commission.

5.2. Mandatory School and Training Sessions

5.2.1. The Sheriff is permitted to conduct or direct the attendance of employees, and each employee shall attend, any and all school and training sessions as directed by the Sheriff.

5.2.2. As required in the policy manual, or mandated by Washington State Law, each employee shall be responsible for obtaining and maintaining certification for matters required in the policy manual and mandated by law.

5.2.3. The school, training, or certification referred to in Sections 5.2.1 and 5.2.2 above, shall be mandatory upon each employee requiring the attendance of such employee whether on their off-duty or on-duty time, depending upon when such classes occur. Attendance during actual class time shall be considered working time and shall result in compensation at the applicable rate of pay.

5.2.4. Voluntary attendance at non-required training courses, for the purpose of individual career advancement or enhancement, shall not be considered compensable work time provided that the following four (4) general principles are met:

- a) Attendance is outside the employee's regular working hours; and
- b) attendance is in fact voluntary; and
- c) the employee does not perform productive work during such attendance; and
- d) the program, lecture, or meeting is not directly related to the employee's job.

5.2.5. Employer required training shall be at the Employer's expense and time spent in travel to training sessions away from the employee's regular work place as well as class attendance shall be considered compensable time provided, however, that travel time shall be compensated at the straight time rate of pay subject to the following conditions:

- a) Travel pay shall commence at the employees point of debarkation. In cases where the employee is not required to report to the workplace, and travel begins from his/her residence, pay shall be based upon the location of the residence.
- b) Employees wishing to attend non-Employer mandated training may voluntarily waive the travel pay provisions contained in this agreement.
- c) Annual in-service training shall be conducted during normal business hours, will be considered the employee's normal shift, and will be compensated at the employee's regular straight time rate of pay. This will include travel time for employees with assigned take-home cars.

5.3. No Strike Clause

5.3.1. The Employer and the Guild agree that the public interest requires the efficient and uninterrupted performance of all the Employer's services and to this end, pledge their best efforts to avoid or eliminate any conduct contrary to this objective. The Employer and the Guild recognize that the cessation or interruption of the services of the employees is in violation of this Agreement.

5.3.2. During the term of this Agreement, the Guild and the employees covered by this Agreement shall not cause or engage in any work stoppage, strike, slowdown, or other interference with Employer functions. No employee shall willfully absent himself or herself from his or her position, or abstain in whole or in part from the full, faithful and proper performance of his or her duties of employment for the purpose of inducing, influencing or coercing a change in his or her conditions of compensation, or the rights, privileges, conditions, or obligations of employment.

5.3.3. The Guild agrees that it shall not, at any time, authorize, instigate, sanction, cause, participate in, encourage, or support any strike affecting the Employer. Strikes shall also be defined to include, but shall not be limited to, slowdowns, stoppages of work, tie-ups, sit-ins, mass absences due to sickness or other reasons, demonstrations, picketing (except where constitutionally permitted), boycotts, obstructionism, or any other form of concerted activity such as disruption, interruption, or interferences in any manner or kind

whatsoever with any and all operations, facilities or activities of the Employer. The Guild and the employees agree that they will not honor any picket line established by any labor organization in the event of being called up to cross such picket line in the performance of duty.

5.3.4. Employees covered by this Agreement who engage in any of the foregoing prohibited actions shall be subject to such disciplinary or discharge actions as may be determined by the Employer including, but not limited to, recovery of any financial losses suffered by the Employer as a result of such prohibited actions. Any disciplinary action shall be subject to the Civil Service Commission protection.

5.3.5. Employees shall not be entitled to any benefits or wages whatsoever while they are engaged in a strike, boycott, slowdown, mass sick call, any form of work stoppage, refusal to perform duties, or other interruption of work or prohibition contained in the foregoing paragraphs.

5.3.6. In the event the Employer determines that a breach of any of the foregoing provisions has occurred, the Employer shall, as soon as possible, attempt to notify the Guild of the alleged breach.

5.4. Jury Duty

5.4.1. Employees shall be allowed time off without loss of pay for serving on jury duty. Employees shall return to work if released from jury duty. If less than one (1) hour remains on the employees shift, a supervisor shall be consulted.

5.5. Military Leave

5.5.1. Any employee who is a member of a military reserve force of the United States or of the State of Washington shall be entitled to and shall be granted military leave of absence from county employment, not to exceed twenty-one (21) days during each calendar year. Such leave shall be granted in order that the person may take part in active training duty in such manner and at such times as he or she may be ordered to active training duty. Such military leave of absence shall be in addition to any vacation or sick leave to which the employee might be otherwise entitled, and shall not involve any loss of efficiency rating, privileges or pay (RCW 38.40.060). During the period of military leave, the employee shall receive from the Employer his or her normal pay.

5.6. Equipment and Safety

5.6.1. No employee shall be required to operate unsafe or mechanically unsound equipment. An employee shall report unsafe equipment to his or her supervisor for proper disposition or repair.

5.6.2. In the event that an employee has duly reported the occurrence of an unsafe vehicle to his or her supervisor, and in the event that the Employer fails to cause the vehicle to be repaired or made safe within a reasonable period of time, an employee who refuses to drive the vehicle while in an unsafe condition shall not be subject to disciplinary actions arising out of his or her refusal.

5.6.3. All fully commissioned Field Operations Bureau deputies will be provided with a serviceable agency issued ballistic vest. Ballistic vests shall be replaced or reconditioned by the agency based upon the manufacturer's recommendation. Ballistic vest standards shall meet or exceed the minimum state bid requirements.

5.6.4. An employee who is required to work sixteen (16) or more hours in a twenty-four (24) hour period, shall, after the 16th hour, receive a ten (10) hour uninterrupted safety rest period. However, this requirement shall not apply in those cases in which such a ten (10) hour safety rest period cannot be granted for reasons of operational necessity. To the extent the safety rest period overlaps the employee's next regular shift, those hours will be paid without debit to any leave banks.

If, due to operational necessity, and employee is required to work prior to receiving the ten (10) hour rest break, compensation will be at one and one-half (1½) times the regular rate of pay for those hours worked. In the interest of employee safety, the following applies:

- a) An employee who can reasonably anticipate working sixteen (16) or more hours under this section, shall, before reaching work hour fourteen (14), notify their supervisor how many total hours they have worked, and
- b) an employee shall not schedule any extra work beyond their regular work day that would put them at, or above, the sixteen (16) hour mark.

5.6.5 While the Sheriff retains the right to utilize video equipment to meet requirements of State or Federal Law, in doing so, the Sheriff agrees not to use video equipment for disciplinary investigations or actions without cause.

5.6.6 The Sheriff's Office and the Guild agree that the safety of officers and law-abiding citizens is of utmost importance and that staffing requirements be evaluated on an on going basis and adjusted as required.

5.7. Personnel Files

5.7.1. Whenever an entry, in accordance with the Civil Service Rules and Regulations, is made by the Employer into an employee's Civil Service file, a duplicate copy shall be supplied to the employee as soon as reasonably practical.

5.8. Special Assignments

5.8.1. All appointments to a special assignment shall be open for employee request for

appointment prior to the Sheriff filling or reassigning personnel to the particular assignment. The opening shall be posted for at least fourteen (14) calendar days, unless precluded by operational necessity.

5.9. Civil Liability

5.9.1. Where the employee has acted in good faith and within the scope of employment with Lewis County, and has not willfully committed acts or omissions which are wrongful, the employee may, subject to RCW 4.96.041, and in accordance with the procedures adopted from time to time by the Employer through County resolution, make a written request for indemnity and defense.

5.9.2. In all such instances, the Employer shall provide legal representation for the employee and the employee's marital community in defense of allegations of acts or omissions in the performance of the employee's official duties, and where the Employer has undertaken or should have undertaken representation, the Employer shall pay any monetary judgment awarded against the employee and the employee's marital community.

5.9.3. As used in this section 5.9, the term *employee* includes a former employee of Lewis County.

5.10. Accrued Leave Transfer

5.10.1. Any employee with more than one (1) year of service with the Employer may transfer a portion of their accrued vacation to another employee with one (1) year of completed service with the Employer. This transfer is contingent upon approval of the employee authorizing and the employee receiving the transfer.

5.10.2. No employee may transfer vacation to another if such transfer would leave the transferring employee less than forty (40) hours of credited leave in his or her bank. The receiving employee shall be limited to a maximum receipt of hours each month equal to the average number of hours the employee worked prior to his or her disability or illness.

5.10.3. The employee transferring the leave shall authorize the transfer in writing. Copies of the written authorization shall be provided to the Employer and the Auditor's Office for payroll purposes. This voluntary transfer of leave time, once authorized, is final, provided that should the receiving employee not use the transferred leave time due to death, illness recovery, or separation from employment, that transferred leave time, shall revert back to the transferring employee. The hours transferred shall be converted to dollars at the hourly rate of pay for the transferring employee. Once transferred, they shall be reconverted to hours based on the receiving employee's hourly rate of pay. This process shall be reversed in cases of a return of time.

5.10.4. The transfer of leave time shall only occur if the receiving employee or a dependent of the employee is suffering from an injury, illness or disability preventing the employee's return to work or requiring the employee's attendance and that employee has exhausted all

of their accumulated sick leave, vacation, floating holiday, compensatory time, or other leave with pay to which that employee is entitled.

5.10.5. Transfer of leave time may also be used for any employee whose immediate family member i.e., spouse, child or other non-pecuniary household member, suffers from a catastrophic injury, illness or other disability preventing the employee from returning to work and the employee has exhausted all of his/her accumulated leave time to which they are entitled.

5.10.6. Transferred time must be used within ninety (90) calendar days following the date of transfer. Any and all transferred time is expressly excluded from termination leave pay-off provisions.

5.11. Drug and Alcohol Policy

5.11.1. The recognized Drug and Alcohol Policy applicable to this bargaining unit is set forth by the Lewis County Sheriff's Office. Any future modifications to this negotiated policy shall be considered a mandatory subject of bargaining.

5.12. Training Reimbursement

5.12.1. As a condition of hiring, any deputy who voluntarily terminates his/her employment within three (3) years (two (2) years for lateral new hires) after the date of commencement of his/her full-time employment will be required to reimburse the County for expenses incurred during the hiring and training process.

The dollar amount of obligated reimbursable expenses for a new deputy (entry-level and lateral) will be detailed on the deputy's respective Final Offer of Probationary Employment.

5.13. Temporary Modified Duty

5.13.1. Request for Temporary Modified Duty (TMD) - Non-Job-Related Injury. An employee who is unable to perform all essential functions of his or her job due to injury or other limitation not incurred in the course of duty may request TMD. The request shall be accompanied by a written statement from the employee's physician which sets out fully the employee's physical limitations, and which provides an estimate of the period of time during which the employee will be unable to work in an unrestricted duty assignment.

5.13.2. Evaluation of Requests. Upon receipt of such a request for TMD, the Sheriff shall evaluate whether work exists which the employee can perform safely and without undue risk to the County; which the employee's education, training, and experience qualify him/her to perform; and which will be sufficiently beneficial and cost effective for the agency. The Sheriff may, in his sole and exclusive discretion, grant or deny any such request for TMD. The Sheriff may terminate a TMD assignment at any time, in his sole and exclusive

discretion; however, in no circumstances shall a TMD assignment exceed 45 work days. The Sheriff may, at any time during the TMD assignment, require the employee to provide a further statement from his/her physician which updates the employee's physical limitations, and which provides an updated estimate of the period of time during which the employee will be unable to work in an unrestricted assignment.

- a) While on TMD, any related medical expenses shall be the responsibility of the employee.
- b) The TMD work and schedule is beneficial to the employer.
- c) The TMD work and schedule should allow for rehabilitation by the employee, using their appropriate/applicable leave during the workday, if necessary.
- d) Use of assigned agency equipment and vehicle while on a TMD assignment will be at the sole discretion of the Employer based on the employee's illness/injury.
- e) If an employee is granted a TMD assignment during their probationary period, that employee's probationary period shall be extended for such time they were on TMD

5.13.3. Delegation. In the Sheriff's absence, any decision or task provided for in this section 5.13 may be made or performed by the Undersheriff, a Chief Deputy, or a Captain. Similarly, the Sheriff may delegate any decision or task to the Undersheriff, a Chief Deputy, or a Captain.

5.14 Reasonable Accommodation and Disability

An employee with a disability (a sensory, mental, or physical impairment), or pregnancy who believes they need a change in the work environment or way their job is performed may request a reasonable accommodation from the Employer by contacting their supervisor or Human Resources Department. The employee must participate in an individualized interactive process, which may include providing medical documentation to the Employer. The employer may separate an employee due to disability when any of the following circumstances exist:

- 1) The employer is unable to reasonably accommodate the employee
- 2) The employer has medical documentation of the employee's inability to work in any capacity
- 3) The employee requests separation due to disability, and the employer has medical information that documents that the employee cannot perform the essential functions of the employee's job.

Disability separation is not a disciplinary action. An employee can resign due to a disability voluntarily. An employee-initiated disability separation is not grievable.

Before an employer-initiated disability separation occurs, the employer will provide notice to the employee at least seven (7) days in advance of the separation date.

Additional vacation credit may be granted by the Employer upon the showing by the employee of substantial disruption of the employee's vacation caused by necessity of travel. The employee shall be reimbursed for all out of pocket travel and lodging expenses incurred as a result of the requirement of attending court. An employee shall make a reasonable effort at seeking a refund, where possible. Such pay shall be at the employee's regular rate of pay. If an employee is discharged within the first six (6) months of employment, no accrued annual leave shall be payable.

7.3.8. In the event a scheduled vacation is canceled pursuant to the provisions of 7.3.4., or a vacation request is denied by the Sheriff by reason of operational requirements, and in the event such cancellation or denial impacts the maximum three hundred twenty (320) hour accrual, at the discretion of the Sheriff, the employee shall either be allowed to accrue above the three hundred twenty (320) hour maximum or will be paid for the excess accrual above the maximum at the employee's applicable straight time rate of pay. In the

event that the Sheriff permits the accrual ceiling to be exceeded, the employee must pull back within the three hundred twenty (320) maximum within ninety (90) days of the date of exceeding the maximum, or the employee will be paid back to the three hundred twenty (320) hour maximum. The Sheriff shall have the discretion to reduce such excess accrual by pay any time during such ninety (90) day period. A request for vacation must be submitted to the Employer at least two (2) weeks in advance of the requested start of vacation to invoke this contract provision.

7.3.9 Upon approval of the Sheriff, an employee may opt to be cashed out for all vacation in excess of one hundred twenty (120) hours accrual. Such request must be made in writing to the Sheriff at least thirty (30) days in advance of the proposed cash out payday, which must be a regular payday, and if approved, such cash out hours shall be paid at the next payday at the employee's straight time rate of pay. 	Individual	Individual + Spouse	Family
Group Dental Insurance	2026 Rate	2026 Rate	2026 Rate
Effective on date of signing	\$33.98	\$67.58	\$120.01

Any increase in premiums for provided plans above the base line amount will be paid for at 95% by the Employer and 5% by the employee. All employee contributions will be funded by payroll deduction.

The County will pay 100% of dental premium.

In addition, the Employer will provide at its expense a life insurance policy with face value of \$35,000.

7.4.3 Payments. The Employer will be responsible for paying to the providers its monthly contribution and those withheld from employees' wages. Upon Guild request, copies of all

transmittals pertaining to benefits under this Section shall be posted on the Guild bulletin board.

The employee shall make a monthly contribution of \$75.00 to said account or as voted upon on an annual basis by the Guild in accordance with plan rules.

7.4.6 Changes. As long as the coverage is substantially the same, the County shall determine which insurance programs and benefits may be continued or implemented periodically. If there are changes in the insurance programs that are outside the control of the County, the County will notify the Guild. Such notification shall not diminish the right of the County to change the benefit structure, benefit level, and/or premium level, nor the right of the Guild to demand to bargain over the impacts of the change. If the insurance company or companies providing the above-referenced benefits notifies the County of changes in the premium structure and/or benefit levels, then and in that event the Guild and employees shall comply with such changes if requested to do so by the County.

7.4.7 Employee/Insurer Disputes – The Guild and/or the employee will indemnify and hold the County harmless from any and all claims made against, any and all suits instituted against any insurance carrier relating to claims and/or coverage. 7.5 Bereavement Leave

7.5.1 Up to three (3) days of bereavement leave shall be granted without any sick leave debit in the case of a death in the employee's immediate family. For purposes of this Section 7.5.1 the term *immediate* family means the employee's spouse, child, sibling, parent, or grandparent, or the employee's spouse's sibling, the employee's spouse's parent, or the employee's spouse's grandparent. When used anywhere in this Collective Bargaining Agreement, the term *spouse* includes an employee's registered domestic partner as defined by Washington law.

Up to three (3) days of bereavement leave shall be granted without any sick leave debit in the case of the death of any other person who is a non-pecuniary resident of the employee's household.

In any instance in which an employee is entitled to bereavement leave pursuant to the foregoing provisions of this Section 7.5.1., that employee also may take up to a further three (3) days of bereavement leave; however, such further bereavement leave shall be debited from the employee's earned sick leave accumulation.

When an employee has accrued sick leave in excess of one thousand three hundred twenty (1320) hours at the end of the calendar year, the employee's accrued sick leave shall revert to one thousand three hundred twenty (1320) hours as of the first (1st) day of January of each calendar year. Part-time employees shall accrue monthly sick leave in the same manner as set forth above, except that a part-time employee's monthly accrual of sick leave shall be reduced in proportion to the number of hours worked by the part-time employee compared to the number of hours worked by a full-time employee. By way of example only, a part-time employee who works one hundred thirty (130) hours in a given month would accrue six (60) hours of sick leave. Sick leave may be used in half hour increments. Accrued sick leave shall be debited in accordance with actual time of absence due to illness.

7.6.2 An employee may take leave for illness, requiring the employee's attendance, in their immediate family. An employee may use accrued sick leave for maternity or paternity purposes. Any absence for an illness, sickness, disability, or maternity or paternity shall constitute a debit against accrued sick leave.

7.6.3 An employee who takes more than three (3) consecutive workday's sick leave for any one illness for self or for illness in the immediate family may be required by the Sheriff, or his designee, to produce a letter from a medical doctor verifying the illness or necessity of attendance.

7.6.4 At the time of separation from service for any reason (other than just cause termination), employees (except provisional and probationary), or, in the case of death, the employee's designated beneficiary or estate, shall receive remuneration at a rate equal to one (1) hour's current straight time monetary compensation of the employee for each two (2) hours of accrued sick leave, to a maximum of four hundred eighty (480) hours of pay. In the event that an employee is re-hired by the County within twelve (12) months of having terminated employment with the County, the number of hours which would be equivalent to the dollar value of any previous sick leave cash shall not be restored upon re-hire. Any sick leave hours restored to a re-hired employee shall be excluded from any subsequent cash out payment. In addition, any sick leave hours restored to a re-hired employee shall be accounted for separately, and annual carry-over for all such restored sick leave hours shall be limited to forty (40) hours.

Employees working a plain clothes assignment shall receive a clothing allowance of five hundred fifty dollars (\$550.00) annually. An employee, in order to access such uniform and equipment funds, shall present to the Employer a request for the uniform or equipment which he or she desires to purchase. The employee shall demonstrate to the Employer the need to replace or purchase any item. The Employer shall, upon approval of the request, pay the creditor direct or allow the employee to purchase the item and submit the invoice for reimbursement. Any funds not used during a calendar year shall not carry over to the next calendar year.

7.8.2 For the purpose of this Article, "uniforms and equipment" shall include items on the Agency Approved list and the maintenance of any of those items. Additional items may be added to the list as job demands or conditions warrant. Employees may forward written justification to the Employer for certain items to be added to the Agency Approved List.

7.8.3 An employee upon termination or separation of service for any reason shall immediately return to the Employer any uniforms or equipment, except footwear, obtained from the Employer or purchased from this account.

7.8.4 Each employee shall be personally responsible for appropriate cleaning of such uniforms and equipment; however the uniform account may be used to pay commercial cleaning costs for one (1) uniform per week.

7.8.5 In cases where the bureau chief has denied a request to purchase, a request to place and item on the Agency Approved list, or a request to replace an item under this Section, the employee may request review of the denial by the undersheriff. If the undersheriff concurs with the denial, the employee may submit the request to the Uniform Equipment Fair Wear and Tear Board. The Uniform and Equipment Fair Wear and Tear Board shall be made up of the following individuals: Appointed administrator and Field Operations sergeant picked by the existing sergeants, a deputy picked by the bureau chief, a deputy picked by the bargaining unit, and a bargaining unit shop steward. This board shall review the request and decide on whether to accept or deny the request. The decision of the board will be binding and final on both the Guild and the Employer.

7.8.6 Commute Distance Outside Lewis County. Deputies residing outside the boundaries of Lewis County, but issued an assigned agency vehicle, may commute with their assigned agency vehicle thirty (30) road-miles (as defined below) beyond Lewis County boundaries.

Any deputy living outside Lewis County and wishing to commute with their assigned agency vehicle must submit a memorandum request for the thirty (30) mile commute variance through their chain of command, which must be approved by the Sheriff, or his designee, before commuting with the agency vehicle is allowed. As part of the memorandum, the employee must delineate an alternate parking location where the vehicle will be left, if their residence exceeds the allotted 30 mile variance. This alternate parking location (e.g., law enforcement office/substation, fire station) must be approved by the Sheriff, and the employee must have written permission by command personnel overseeing the alternate parking location authorizing that leaving the vehicle there is permissible. For any timeframes longer than a week (more than five consecutive days), the employee must make arrangements to leave their assigned vehicle at an approved LCSO office/facility. Relating to this Section, for any agency assigned vehicles being parked outside the boundaries of Lewis County, no weapons, MDCs, uniforms, or ballistic vests may be left in the vehicle while it is not in use.

If compliance with this stipulation is not practical (e.g., lack of approved and secure parking, employee currently resides within a reasonable commute distance), the Sheriff may grant an exception on an individual basis.

For deputies residing outside Lewis County, the following shall apply:

- a) The method of mileage measurement shall be all season, paved, maintained streets that are generally open, passable, and available to be used by employees to travel to and from their residence or approved parking location at the beginning and end of each shift twelve (12) months each year.
- b) Google Maps or similar website (fastest route) will be the official measurement of the distance from the Lewis County line to the employee's residence or location 30 mile boundary where the assigned agency vehicle will be parked.
- c) If an employee claims there is a shorter route over improved public roads not shown by the website used to select the fastest route, the distance shall be verified by the employee's supervisor.

Employees commuting from outside the county shall be required to be in the county, or their geographic area of assignment, at the start and end of their assigned work shift. Employees shall sign in service with radio and travel to the county on off-duty status, but are obligated to take appropriate law enforcement action in the event such action is necessary and unavoidable (e.g., collisions, criminal/criminal traffic violations observed while commuting). When such appropriate law enforcement action is taken:

- a) The employee shall go into on-duty status.
- b) The employee may elect to be in overtime status for the period of time preceding their normal scheduled shift.
- c) The employee would not be entitled to take call-out status.
- d) The employee's assigned shift would end at the regularly-scheduled time for that shift.

In such event, the commuting employee shall immediately request assistance from the appropriate on-duty law enforcement personnel for that jurisdiction, and their on-duty status will cease as soon as assistance arrives and relieves the employee of the need to take appropriate law enforcement action. Overtime for court, call-out, etc., for employees residing outside the boundaries of Lewis County shall commence and terminate when they reach the Lewis County line.

In its discretion, management reserves the right at any time to revoke this provision for any deputy to take their assigned agency vehicle out of Lewis County for commute purposes.

be entitled to an additional three percent (3.00%) each calendar month, each employee who holds a bachelor's degree shall be entitled to an additional five percent (5.00%) each calendar month, and each employee holding a master's degree shall be entitled to an additional seven percent (7.00%) each calendar month.

7.10 Educational Reimbursement

7.10.1 The Employer is desirous of having employees participate in courses and training opportunities to enhance their skills and enable them to advance to other positions. - h) The course is completed within six (6) months of approval; and
- i) completed with a "pass" in a pass/fail grading system or a grade of "C" or better. The maximum reimbursement per credit will be the cost of a credit charged by Centralia College.

7.10.5 An employee who receives tuition reimbursement agrees to continue to work for the Employer for twelve (12) months following the completion of the course; if not, the reimbursement is pro-rated and the employee authorizes reimbursement to the Employer from the last paycheck issued. An employee who is unable to remain in the Employer's employment, due to circumstances beyond the employee's control, shall not be required to reimburse the Employer if the twelve (12) month period is not met.

7.10.6 Reimbursement shall be for actual tuition, or the cost of the course. All other expenses, such as travel and books, shall be borne by the employee.

A) employee's ability to speak an approved language conversationally shall be determined by completion of a test selected by the employer at a level of proficiency determined by the Employer. The test is intended to evaluate the employee's ability to participate in basic conversations with routine and repetitive subject matter. The employee shall pay associated test costs to achieve initial qualification.

B) Should an employee fail the test for initial qualification or re-qualification, a period of six (6) months must elapse before retaking the test.

C) Employees must re-qualify to retain the one percent (1.00%) bilingual pay by successfully passing the test once every three (3) years. The Employer will pay the cost of testing for one (1) attempt at re-qualification. Subsequent re-qualification attempts will be at the expense of the employee.

7.12 Death Benefit

7.12.1 In lieu of an Employer paid membership in the National Sheriff's Association (NSA), which provided a death benefit to member employees, the Employer agrees to pay a death benefit upon the death of any employee covered by this agreement. Upon the death of any employee the Employer shall pay to the employee's designated beneficiary or estate an amount equal to one (1) month's pay at the individual employee's rate of pay, provided, however, such amount shall be no less than three thousand dollars (\$3000.00). Such payment shall be made on a separate check and shall not be considered wages for time worked.

8. DISCIPLINARY INVESTIGATIONS

8.1 Citizen Complaints

8.1.1 Whenever a citizen complaint is received by the Employer, a determination will be made regarding whether the complaint is criminal or non-criminal. Criminal matters will be forwarded to the appropriate investigating authority.

8.1.2 A non-criminal citizen complaint will not be considered formal until such time as the complaint is reduced to writing. A written complaint may be handwritten by the complainant, typed, taped or otherwise reduced to writing and attested to by the complainant.

8.2 Supervisory or In-House Complaints

8.2.1 Supervisory or in-house complaints of misconduct or policy violation will be looked into by supervisory personnel to determine appropriate facts. The Employer shall attempt to handle the violation at the lowest level of authority appropriate to the violation to assure corrective action.

8.3 Interviews and Hearings

8.3.1 In cases of serious violations, which may result in an un-timed letter, suspension, demotion or termination, the complaint must be forwarded to the administrative staff. The interview of an employee concerning action(s) or inaction(s), which, if proved, could reasonably lead to a written reprimand, suspension without pay, demotion, or discharge for that employee, shall be conducted under the following conditions and procedures:

A) Investigations into allegations of employee misconduct shall be classified in the notice as either a Type I complaint or a Type II complaint. For a Type II complaint, discipline will not be greater than a written reprimand. If notice of a Type I complaint is given, the range of discipline may be any of the disciplinary actions (i.e. corrective action up to and including termination). The notice can be amended at any time during the course of the investigation, provided that an amended notice is provided to the employee and the Guild.

B) The outcome of administrative reviews/internal investigations shall be a finding that is categorized as either "sustained," "not sustained," "unfounded," or "exonerated."

C) At a reasonable time (at least forty-eight hours) in advance of the investigative interview, the employee shall be informed in writing, with a copy to the Guild, of the nature of the investigation; the specific allegations related thereto; and the policies, procedures and/or laws that form the basis for the investigation; and shall be advised that an opportunity to consult with a Guild representative will be afforded prior to the interview. The employee may waive the forty-eight (48) hour notice in writing only.

D) The requirements of these shall not apply if (1) the employee is under investigation for violations that are punishable as felonies or misdemeanors under law, or (2) notices to the employee would jeopardize the administrative investigation.

E) If a complainant has filed a formal complaint regarding an action or inaction of an employee and the Employer deems further investigation is necessary, the employee shall be provided a copy of the complaint as soon as practical, with a copy forwarded to the Guild.

F) The employee shall have the right to have a Guild representative present during any interview, which may reasonably result in discipline of the employee. The Guild representative may not obstruct or hinder the interview, but he/she can clarify points, ask questions of the interviewee at the conclusion of the investigator's questions or point out pertinent information to assist in gathering facts. The opportunity to have a Guild representative present at the interview or the opportunity to consult with a Guild representative shall not unreasonably delay the interview. However, if the interview begins with the consent of the employee in the absence of a Guild representative, but during the interview the employee concludes that assistance is required by reason of increasing seriousness of the disciplinary problem, the employee shall be allowed a reasonable time in which to obtain a Guild representative.

G) To the extent reasonably possible, all interviews under this Section shall take place at the Sheriff's Office facilities.

H) The Employer may schedule the interview outside of the employee's regular working hours; however, in that event the appropriate overtime payment shall be made to the employee.

J) The employee shall not be subject to abusive or offensive language or to coercion, nor shall interviewer(s) make promises of award or threats of harm as inducements to answer questions.

K) During an interview, the employee shall be entitled to such reasonable intermissions as the employee may request for personal physical necessities.

L) All interviews shall be limited in scope to activities, circumstances, events and conduct that pertain to the action(s) or inaction(s) of the employee that is the subject of the investigation. Nothing in this Section shall prohibit the Employer from questioning the employee about information that is developed during the course of the interview.

M) If the Employer tape-records the interview, a copy of the complete tape-recorded interview of the employee, noting the length of all recess periods, shall be furnished the employee upon the employee's written request. If the interviewed employee is subsequently charged with misconduct, at the request of the employee or on its own volition, the Employer shall provide a copy of the recording to the Guild on behalf of the employee.

N) Interviews and Internal Affairs investigations shall be concluded without unreasonable delays. If an investigation cannot be concluded within thirty (30) days of the employee

receiving notice of the investigation, notification will be provided to the employee and the Guild with an explanation for the delay, along with an estimated completion date. The granting of extensions shall not be unreasonably withheld.

O) The employee and the Guild shall be advised promptly, in writing, of the results of the investigation and what future action, if any, will be taken regarding the matter investigated.

8.3.2 A pre-disciplinary hearing shall be held by the Employer in cases in which the complaint is believed to be valid and a sanction(s) is/are anticipated. Such hearing shall be scheduled within fourteen (14) business days, excluding weekends and holidays, of the supervisor's completed investigation, not including day of submission through the chain of command. Should additional investigation be required before the next disciplinary phase, the involved employee(s) shall be notified of the delay and the expected completion date. The employee shall receive notification at least seventy-two (72) hours prior to a pre-disciplinary hearing. The Employer, and Employee may mutually agree to waive the aforementioned timeframe notification requirement. Employee(s) notification shall provide the following:

- A)** The basis of the alleged infraction;
- B)** the applicable policies/rules/directives alleged to have been violated;
- C)** advice to the employee of his or her right to Guild representation during the hearing;
- D)** a copy of the complete investigation (upon written request of employee).

8.3.3 Discipline may only be imposed for just cause.

8.3.4 A pre-disciplinary hearing shall be conducted during the employee's normal work hours unless the urgency to resolve the complaint dictates otherwise. If the employee is working a shift other than day shift, the pre-disciplinary hearing will be held as close as practical to the employee's normal work hours.

8.3.5 The employee may, if the employee wishes, advise the Employer that he or she will not proceed with a pre-disciplinary hearing. Once the Employer has afforded the employee the opportunity of a pre-disciplinary hearing and the employee chooses not to participate, the Employer may proceed with disciplinary action.

8.3.6 When a reasonable resolution of any complaint has been reached, the affected employee(s) will be notified in writing of the outcome within fourteen (14) business days, excluding weekends and holidays, of the aforementioned pre-disciplinary hearing, not including the hearing date.

- A)** In cases where an economic sanction(s) or termination is recommended, the affected employee(s) will be notified in writing of the recommendation within the

same aforementioned timeframe.

1) In such cases, a Loudermill Hearing will be provided and a final determination will be made within fourteen (14) business days, excluding weekends and holidays, of the issuance of the recommendation, not including the date of recommendation issuance.

B) In cases where serious sanctions have been administered, a copy of the discipline folder will be provided to the employee(s) after final disposition, upon employee(s) request.

C) Where a timed letter has been placed into an employee's file, such letter shall be automatically removed from file upon the expiration of the duration of the notice.

D) If either the pre-disciplinary or Loudermill hearings are waived (verbally or in writing), the aforementioned time periods will commence on the day following receipt of the waiver.

8.3.7 Should the Employer fail to adhere to the timelines set forth in this section regarding the scheduling of hearings or the issuance of resolutions, such matters will be deemed closed and not subject to further redress. It is understood by the parties that due to the nature of certain specific cases that either party may require an extension to the aforementioned timelines to properly investigate or process the matter. The granting of extensions shall be on a case-by-case basis and shall not be unreasonably withheld.

8.4 Alternate Resolutions

8.4.1 All parties are committed to resolve disciplinary matters in a manner that is expeditious, fair, and transparent, and where possible, reduces the amount of formal processes necessary. As such, formal disciplinary processes can be waived and/or modified where mutually agreed by the Agency and the Guild (i.e. Settlement Agreements, as an example). In such cases, all such waivers and/or modifications will not be precedent setting.

9.1.2 Time limits within the grievance procedure may be waived or extended by the mutual

If unable to reach agreement, they shall request a list of eleven (11) arbitrators from the Federal Mediation and Conciliation Service ("FMCS"). The list shall be limited to arbitrators who are members of the National Academy of Arbitrators from the nearest sub-region.

9.3.2 In connection with any arbitration proceeding held pursuant to this Agreement, it is understood as follows:

- A)** The arbitrator shall have no power to render a decision that will add to, subtract from or alter, change, or modify the terms of this Agreement, and his/her power shall be limited to interpretation or application of the express

terms of this Agreement, and all other matters shall be excluded from arbitration.

Such testimony shall be sworn and shall be limited to the matters set forth in the written statement of grievance, and shall be subject to cross-examination.
