Note * Indicates VFC enrolled clinics. The VFC program expands access to vaccines to all children regardless of their family's ability to pay for the administration cost or their insurance status.

Most locations require an appointment for vaccinations.

Check with location to verify insurance billing capabilities and/or out of pocket costs.

Check with location to verify availability of the immunizations you are seeking.

For recommended immunizations for children, visit <https://doh.wa.gov/you-and-your-family/immunization/children>
