125 NW Chehalis Ave
Chehalis WA 98532

DATE: February 3, 2026

TO: Washington State Department of Ecology – Shorelines
Washington State Attorney General Office - Shorelines

CC: Lewis County Prosecutor's Office – David Bailey

FROM: Preston Pinkston, Planner

SUBJECT: Shoreline Substantial Development Permit – SHD25-0003
Landslide repair and road stabilization of Rosebrook Rd between Milepost 0.49 and 0.69. Repair work includes pressure grouted soil anchors on 13 existing soldier piles to stabilize the roadway, six (6) new piles extending the wall to the northwest, replacing of the guardrail and road resurfacing.

Enclosed please find materials related to the County's final approval of SHD25-0003 shoreline permit application. A letter has been sent to the applicant explaining that Ecology has 21 days to review these materials after receiving them as per WAC 173-27-190(1)). Ecology will provide written notification to Lewis County Community Development Department and the applicant of the date of filing (WAC 173-27-130(8)).
