A land use **public hearing** before the Lewis County Hearing Examiner has been set for Wednesday, March 11, 2026, at 9:00 a.m., or immediately thereafter, to review an application by Good Crushing, Inc. to amend condition number 23 of the Hearing Examiner's Decision of Special Use Permit (SUP19-0002) to increase the hours of mining operation for processing and hauling off site. The mine extraction area, operations, berms and landscaping is not proposed to change from the approval under SUP19-0002. Blasting hours are proposed to remain as previously conditioned between 10 am to 4 pm, Monday to Friday, no blasting authorized on Saturday or Sunday.

Original Condition Number 23:

The regular hours of operation for the mine operation, except for blasting activities, are limited to 7:00 a.m. to 5:00 p.m., Monday through Friday, but during daylight hours only. Authorization from Lewis County Community Development is required for hours of operation except to these regular hours when the quarry will have limited evening weekend work that may be required by the need for reduced traffic on public projects or to provide emergency response.

- The days and hours for active mining of the mine workforce and blasting operations will remain as conditioned in SUP19-0002.*
- Daytime processing and loadout of customer trucks – up to 7 days per week, 7 am to 10 pm. Loadout will be limited to 20 loads per hour.*
- Nighttime loadout of customer trucks – up to 7 days per week, 10 pm to 7 am. Loadout will be limited to 8 loads per hour.*
