## 1. PREAMBLE

This Agreement is entered into by and between Lewis County, Washington, a political subdivision of the State of Washington, and the Lewis County Sheriff's Office, acting through the elected sheriff, hereinafter jointly referred to as the "Employer," and Teamsters Local 252 hereinafter referred to as the "Union". It is the purpose of this Agreement to achieve and maintain harmonious relations between the Employer and the Union, to provide for equitable and peaceful adjustments of differences which may arise, and to establish rates of pay, hours of work and other conditions of work.

## 2. RECOGNITION

- 2.1 The Employer recognizes the Union as the exclusive bargaining representative for those purposes appropriate to the units stated in RCW 41.56, of all classified civil service positions for all permanent full-time and regularly scheduled part-time employees employed in the Sheriff's Office in the following job classifications: Support Technician I, Support Technician II, Accountant, Community Service Officers and Administrative Assistant. All other employees, including extra help and temporary employees, are expressly excluded.
- 2.2 When any new staff support position (full-time or regular part-time) in the Sheriff's Office is created and authorized by the Civil Service Commission, such position shall either be in or out of the bargaining unit depending upon whether the newly created position is consistent with the duties, confidentiality, responsibilities, and general organizational structure of those positions in the bargaining unit. The salary of any new position to be included in this bargaining unit shall be set consistent with Employer policies and state collective bargaining requirements.
- 2.3 Employment Status
- 2.3.1 **Full-Time Employee:** An employee who has successfully completed his or her probationary period, is certified by Civil Service, and who is hired to work at least 40 hours per week.
- 2.3.2 **Part-Time Employee:** An employee who is hired to work less than 40 hours per week on a regular basis.
- 2.3.3 **Regular Employee:** A full or part-time employee who has successfully completed their probationary period.
- 2.3.3 **Probationary Employee:** An employee who is in a working test period of twelve (12) months during which he/she is required to demonstrate by proficiency the duties required for the position. During probation, employees shall not have access to the grievance procedure regarding discipline and discharge.
- a. Probationary periods provide the employer with an opportunity to observe and assess an employee's work and to train and aid the employee in adjusting to the position in order to determine if the employee will be successful in carrying out their job responsibilities.
- b. A probationary period may be extended on a day-for-a-day basis for any full days of unpaid

leave taken during the probationary or trial period; or to provide additional time for the employee to demonstrate they have the competencies required for the position.

- 2.3.4 **Extra-Help Employee:** An employee who is neither a full or part-time employee and is employed to work on a temporary, intermittent, or as-needed (on-call) basis for a specified period of time not to exceed four months in any calendar year, except by mutual agreement of the Union and Employer. Extra-Help (formerly known as 'casual') employees are excluded from the terms and conditions of this agreement.
- 2.3.5 **Project Employee:** Project positions are contingent upon federal, state, or other grant funding for specific non-continuing projects. A person occupying a project position is a project employee. Project employees shall not be used to reduce or replace the number of regular employees.
- 2.3.6 **Intern:** An intern may be paid, volunteer, or partially paid. Internships are temporary and have an emphasis towards "on-the-job" training and/or working for school credit. If an intern is paid, they will be considered either extra help or project employees and must be under the supervision of a County employee who is qualified to conduct the internship.

### 3. MANAGEMENT RIGHTS

- 3.1 Customary Functions: Except as expressly modified or restricted by a specific provision of this Agreement, all statutory and inherent managerial rights, prerogatives, and functions are retained and vested exclusively in the Employer and its management, including, but not limited to, the rights, in accordance with its sole and exclusive judgment and discretion:

- 3.2 **Non-Waiver:** The Employer's failure to exercise any right, prerogative, or function hereby reserved to it, or the Employer's exercise of any such right, prerogative, or function in a particular way, shall not be considered a waiver of the Employer's management right to exercise such right, prerogative, or function in a particular way, and shall not be considered a waiver of the Employer's management right to exercise such right, prerogative, or function or preclude it from exercising the same in some other way not in conflict with express provisions of this Agreement; however, the Employer recognizes that RCW 41.56 may impose an obligation for Employer to negotiate changes in wages, hours, and working conditions not covered by this Agreement.
- 3.3 **Employer Options:** The Employer and the Union hereby recognize that delivery of services in the most efficient, effective and courteous manner is of paramount importance to the Employer, and as such, maximized performance is recognized to be an obligation of employees covered by this Agreement.
- 3.4 **Performance Standards:** The Employer shall have the right to establish and maintain performance standards. Such standards that are in effect may be used to determine acceptable performance levels, prepare work schedules, and measure the performance of employees. 10.4 Compensatory Time

10.4.1 Upon approval of the employer, eligible employees may receive compensatory time in lieu of receiving overtime wages, and if the employer denies the request, the employee will receive overtime pay. - 10.4.6 The Employer shall take no retaliatory or unfair discriminatory action against any employee by reason of the employee's choice of compensatory time off.
- 10.5 Notice of Schedule Changes: Except in the case of emergency, the Employer shall give seven (7) days' notice of any permanent schedule change. A permanent schedule change is defined as a change lasting at least 30 days. The Employer will give 48 hours' notice, or as much notice as possible for temporary schedule changes that may require an employee to stay late or arrive early. ## **12. UNION BUSINESS**

- 12.1 It is recognized that from time to time it is necessary for Union activities relating to the processing of grievances to be conducted during working hours. A Union representative shall be permitted reasonable time to investigate and process such grievances during working hours subject to permission being granted by the appropriate non-bargaining unit supervisor. Such permission shall generally be granted unless the Union's representative or the grievant is involved in work activity requiring immediate attention, in which case, permission will be granted as soon as reasonably possible. Union representatives shall not interfere with Sheriff's Office activities in investigating any grievance or exercising their rights under this clause.

- 12.2 Labor/Management meetings may be held semi-annually or more frequently upon mutual agreement of the parties to discuss issues of mutual concern. Such meetings shall not be in lieu of Article 26, Grievance Procedure. Two bargaining unit members shall be allowed to attend on County time.
- 12.3 The Union Representative shall be allowed full and free access to the workplace of the bargaining unit employees, provided he/she shall notify the Sheriff or his designee of their presence and shall not unduly interrupt the work of employees.
- 12.4 Negotiations for a successor collective bargaining agreement shall take place at mutually agreed times and places. The Union negotiating team shall consist of its staff representative and three (3) members of the bargaining unit, selected by the Union. Union representatives will be allowed to attend negotiating sessions without loss of pay if those representatives would be on duty when negotiations are scheduled and operational requirements permit. However, at the Employer's discretion and with advance written notice, collective bargaining sessions may be conducted on a split time basis (i.e. half of the bargaining time being paid time, and the other half of the bargaining time being unpaid time). Any such decision by the Employer shall not form the basis at any time that a past practice has arisen conveying to bargaining unit members any right or entitlement whatsoever to pay for time spent in collective bargaining sessions.
- 12.5 Union Bulletin Boards and Communications
- 12.5.1 The Employer shall provide suitable space on its premises for a Union bulletin board. The Employer agrees to allow the Union Representatives to use designated Union bulletin boards, email via the-County system, or interoffice mail to send or post brief messages concerning Union business including scheduling or posting notice of Union meetings, Labor/Management meeting notices and minutes, and communications with management and representatives of the Union (including stewards) concerning the administration of the collective bargaining agreement. Union members may utilize the County computer system on a not to interfere basis (i.e. during break time), to access a personal email account for the purpose of voting electronically on a Union issue.
- 12.5.2 It is specifically understood that no notices of a discriminatory or political nature, nor notices that would be offensive to a reasonable person, shall be posted or transmitted. Each posting shall be initialed and dated or digitally signed by the Union official responsible for the posting. *(Note: The County email system is not confidential and these communications may not be private and are the property of Lewis County).*

### **13. ELECTRONIC MONITORING**

This article addresses the use of surveillance and electronic or other monitoring performed on an ongoing basis for the purpose of monitoring workplace productivity, safety and security. This article does not apply to any surveillance and electronic or other monitoring performed as part of any criminal investigation or any internal investigation pertaining to specific employees, provided that reasonable suspicion shall be supplied to the Union Representative upon his/her request.

The Union and employees shall be notified prior to implementation of, or changes to, any forms of surveillance or electronic monitoring proposed by the employer to be implemented on a routine and on-going basis, and the notice shall include the purpose of the monitoring.

Data acquired by electronic monitoring or surveillance systems may be used to evaluate work productivity, compliance with standards of conduct and other job requirements, as the basis for the imposition of discipline, and/or as part of a criminal investigation. In the event that data acquired by surveillance or electronic or other monitoring is used as the basis for any discipline, the employee who is the subject of such discipline and the Union shall have the right to obtain a copy of such data prior to the discipline being imposed. Said data shall not be used as the sole basis for discipline nor shall it be used as the sole basis to evaluate any individual Employee's productivity.

- 15.2 Actual accrual may be made on a semi-monthly basis, with part of the monthly accrual provided after completion of the first pay period in the month, and the remainder after completion of the second pay period. Vacation shall be utilized and charged in quarter-hour

increments.

### 15.3 Vacation Scheduling

15.3.1 In October of each year, employees shall have the opportunity, by seniority within their respective Bureau, to bid their vacations for the upcoming year. Once the employee's vacation is scheduled and approved, such shall not later be bumped by a more senior employee.

15.3.2 Employees will have the opportunity to bid vacations for two rounds. Each round will include a posting of what vacation days have already been approved.

15.3.3 Vacation requests submitted after the completion of the annual bidding process will be considered on a first-come, first-served basis regardless of seniority.

15.4 All vacation scheduling shall be subject to approval of the Sheriff or his designee.

### 15.5 Catastrophic/Extended Illness

15.5.1 Donated Vacation Leave. Any regular full-time or part-time employee with more than one (1) year of completed service in an established and budgeted position may donate a portion of their accrued vacation leave to an eligible employee approved to receive leave donations.

This donation is contingent upon approval by the Employer and/or designee for both the employee authorizing and the employee receiving the transfer. The transfer is further restricted for the purposes of catastrophic or extended illness.

No employee may donate vacation leave time to another if such donation would leave the transferring employee less than forty (40) hours of credited annual leave. The receiving employee shall be limited to a maximum receipt of four hundred eighty (480) hours annually.

The employee transferring the annual leave time shall authorize the donation in writing. Copies of the written authorization shall be provided to the Employer and/or his designee and the Auditor's Office for payroll purposes. This voluntary donation of vacation leave, once authorized, is final, provided that should the receiving employee not use the donated vacation leave due to death, illness recovery, or separation from employment, the donated leave shall revert back to the transferring employee.

Vacation leave donated by qualifying employees shall be transferred in increments equal to the number of hours in the workday of the employee donating the leave time. The hours donated shall be converted to dollars at the rate of pay for the transferring employee. Once donated, they shall be reconverted to hours based on the receiving employee's hourly rate of pay. This process shall be reversed in cases of reversion of time.

The donation of vacation leave shall only occur if the receiving employee has worked for the County for at least one (1) year, occupies a budgeted position, is suffering from a catastrophic illness or extended illness or injury preventing the employee's return to work and the receiving employee has exhausted all of their accumulated vacation leave, sick leave, compensatory time, and other paid leave to which that employee is entitled.

Donation of vacation leave may also be used for any employee whose immediate family (i.e. spouse or child) suffers from a catastrophic or extended illness or injury requiring the employee's presence, provided the receiving employee has exhausted all of their accumulated vacation leave, sick leave, compensatory time, and other paid leave to which that employee is entitled.

Donated vacation leave hours must be used within one hundred twenty (120) calendar days following the date of donation. Any and all donated vacation leave is excluded from termination vacation leave pay-out provisions.

- 15.6 Employees who separate from County employment (except for employees in their first six months of employment) shall be paid for a pro-rata portion of accrued days. Vacation leave may be accrued to a maximum of three hundred twenty (320) hours; subject, however, to potential loss of that portion of the accrual in excess of two hundred forty (240) hours. An employee who retires, terminates employment, or is laid off shall be paid by the Employer at the ensuing payday for any unused accrued vacation leave, but in any event not to exceed a maximum of two hundred forty (240) hours.
- 15.7 Upon approval of the Sheriff, an employee may opt to be cashed out for all vacation in excess of 120 hours' accrual. Such request must be made in writing to the Sheriff at least 30 days in advance of the proposed cash-out payday, which must be a regular payday, and if approved, such cash-out hours shall be paid at the next payday at the employee's straight time rate of pay.

## **16. JURY DUTY**

- 16.1 Employees shall be allowed time *off* without loss of pay for serving on jury duty. Employees shall return to work if released from jury duty. If less than one hour remains on the employee's shift, a supervisor shall be consulted.

## **17. MILITARY LEAVE**

- 17.1 Any employee who is a member of a military reserve force of the United States or of the State of Washington shall be entitled to and shall be granted military leave of absence from County employment, not to exceed twenty-one (21) working days during each October 1 through September 30. Such leave shall be granted in order that the person may take part in active training duty or active duty in such manner and at such times as he or she may be ordered to active training duty or active duty. Such military leave of absence shall be in addition to any vacation or sick leave to which the employee might be otherwise entitled, and shall not involve any loss of efficiency rating, privileges, or pay (RCW 38.40.060). During the period of military leave, the employee shall receive from the Employer his or her normal pay. Any additional leave will be considered under applicable federal law.

## 18. SICK LEAVE

### 18.1 Sick Leave Accrual.

A full-time employee will accrue eight (8) hours of sick leave each month, unless they take unpaid leave, in which case they will accrue a prorated amount of sick leave based on their number of compensated hours in the month compared to that required for full-time employment, as will a regular part-time employee. Actual accrual may be made on a semi-monthly basis, with part of the monthly accrual provided after completion of the first pay period in the month, and the remainder after completion of the second pay period.

An employee's sick leave balance transfers with them to other positions within the County, provided they do not have a break in continuous County service.

When an employee has accrued more than 1,320 hours of sick leave at the end of the calendar year (December 31), the employee's accrued sick leave shall revert to 1,320 hours on January 1.

### 18.2 Sick leave shall be allowed as protected under Federal, State, or County policy, following RCW 49.46.210. Sick leave will be charged in quarter hour (.25) increments and may be used for the following reasons:

- a) When an employee is incapacitated for work due to a personal illness, injury, disability or health condition
- b) When an employee has a health care appointment or need for medical diagnosis, care, or treatment of an illness, injury, disability or health condition, or preventative care appointments
- c) When the employee has been exposed to a contagious disease and their presence at work would jeopardize the health of others
- d) When the employee's family or household member requires care due to their illness, injury, disability or health condition, or preventative care appointments
- e) When the employee's place of business or child's school or place of care has been closed by order of a public official for any health-related reason (health-related reason does not include inclement weather)
- f) For domestic violence leave (chapter 49.76 RCW)
- g) For bereavement, up to three shifts
- h) To prepare for or participate in any judicial or administrative immigration proceeding involving the employee or their family member.

### 18.3 Definitions for sick leave use:

Family Member: child, grandchild, grandparent, parent (including those who stood 'in loco parentis' when the employee was a minor child), sibling, or spouse (including in-law, step, foster, and adoptive relatives of the same kind of relationship)

Household Member: any individual who regularly resides in the employee's home or where the relationship creates an expectation of care for the person, and that individual depends on the employee for care. It does not include a household member who simply resides in the same home with no expectation that the employee cares for the individual.

### 18.4 Sick Leave Notification Requirements: Employees must give reasonable notice to their supervisor or designee to use sick leave and provide a general reason for the absence (i.e. a

sick child, a medical appointment, personal illness).

- 18.5 The Employer may require an employee to produce a letter from a medical provider showing necessity of attendance or absence for more than three (3) consecutive workdays.
- 18.6 If the Employer has a reasonable belief that an employee is unable to perform the essential functions of the job with or without reasonable accommodation, the Employer may require the employee to undergo a fitness-for-duty evaluation at the employer's expense, or provide written certification from their health care provider.
- 18.7 An employee with a disability (sensory, mental, or physical impairment), or pregnancy who believes they need a change in the work environment or the way their job is performed may request a reasonable accommodation from the Employer.
- 18.8 At the time of separation from service other than for cause, an eligible employee, or in the case of death, the employee's estate or designated beneficiary as described in the Beneficiary Designation form provided by the Lewis County Auditor, shall receive remuneration at a rate equal to one (1) hour's current straight time monetary compensation of the employee for each two (2) hours of accrued sick leave to a maximum of four hundred eighty (480) hours of pay. In the event that an employee is re-hired by the County within 12 months of having terminated employment with the County, the number of hours which would be equivalent to the dollar value of any previous sick leave cash out shall not be restored upon re-hire. Any sick leave hours restored to a re-hired employee shall have no cash value and shall be excluded from any subsequent cash out payment. In addition, any sick leave hours restored to a re-hired employee shall be accounted for separately, and annual carry-over for all such restored sick leave hours shall be limited to forty (40) hours.
- 18.9 If, as of December 1, an employee has at least 176 hours of accrued and unused sick leave available, then the employee may, at the employee's option, be able to convert 16 hours of sick leave to 16 hours of vacation. If an employee elects to make this conversion, and does not use at least 16 hours of vacation within 12 months after making the conversion, then any remaining vacation hours that resulted from the conversion shall revert back to sick leave hours. If an employee elects to make this conversion, and terminates employment with the County prior to using all of the converted hours, then any remaining vacation hours that resulted from the conversion shall revert back to sick leave hours. An election to convert shall be made in writing and must be submitted December 1 through December 14.
- 18.10 Sick Leave Use with Workers' Compensation
- 18.10.1 During a period of interrupted service for occupational injury or occupational illness, the employee may, at their option, be paid from accrued benefits the full difference between Workers' Compensation and the amount the employee would have received for regularly scheduled work. This will be accomplished by making a deduction from accrued sick leave or accrued annual leave in units of at least one (1) hour so long as such accrued leave is available. The employee's election must be timely made so as to provide notice sufficient for the Employer to make necessary payroll deductions.
- 18.10.2 An employee may elect to use accrued vacation or sick leave during the initial three (3) days of a period of absence due to occupational injury or qualifying occupational illness. Should the employee initially elect to use sick leave and later

qualify for and receive Workers' Compensation time loss payments which include compensation for this initial three (3) day period of absence, the time loss payment received for the initial period must be credited to the employee's sick leave account.

18.10.3 An employee who suffers an occupational injury and/or qualifying occupational illness is expected to seek, to return to, and it shall be the policy of the Employer to offer, any open and available position in the employee's department for which the employee may be qualified when a physician certifies the employee is able to work in the available position. Prior to returning to active service, an employee must provide a written certification from a physician that the employee is able to perform his/her usual work, or such available work as may be made assigned by the Employer. Such certification shall be provided to the Sheriff and forwarded to the County Risk Manager prior to the employee's performance of duties. Where applicable, the employee shall retain the seniority date the employee would have had but for the interruption of service.

## **19. BEREAVEMENT LEAVE**

- 19.1 Up to three (3) days with pay shall be granted without a charge to an employee's accrued leave balances in the event of the death of an employee's family member or household member (as defined in the Sick Leave article). The days do not need to be taken consecutively.
- 19.2 Employees who are permitted to attend the funeral or memorial service of a fellow Sheriff's Office employee shall be allowed attend when such services are held during working hours and as shift coverage allows without having to use any leave accruals.

## **20. FAMILY AND MEDICAL LEAVE**

- 20.1 This article in the Collective Bargaining Agreement will be used in conjunction with the federal Family and Medical Leave Act (FMLA), state Paid Family and Medical Leave (PFML), and any other relevant federal regulations, and state laws and rules (RCW & WAC).
- 20.2 It is the policy of Lewis County to abide by all federal and Washington State laws related to family and medical leave (including Parental Leave) and Pregnancy Disability Leave. Pregnancy Disability leave is for eligible employees who experience a pregnancy-related disability.
- 20.3 Parental leave may encompass pregnancy disability leave and FMLA and may extend up to six (6) months; however, requests for leave beyond that required by law may be denied by the Chain of Command due to operational necessity.
- 20.4 Questions about eligibility, types of leave, and/or qualifying events for leave shall be directed to the Human Resources Department through the Chain of Command.
- 20.5 Determination of eligibility and qualifying events will be determined in accordance with federal and Washington State laws.
- 20.6 PFML is administered by the state's Employment Security Department, and different than

FMLA. More information can be found at [www.paidleave.wa.gov](http://www.paidleave.wa.gov)

## **21. MANDATORY SCHOOL AND TRAINING SESSIONS**

- 21.1 The Sheriff is permitted to conduct or direct the attendance of employees, and each employee shall attend, any and all school and training sessions as directed by the Sheriff or his designee.
- 21.2 Whenever required in the Lewis County Sheriff's Office, or mandated by Washington State Law, each employee shall be responsible for obtaining and maintaining certification for matters required in the office or mandated by law. The Employer shall bear the cost of all certifications and/or training required of such employees.
- 21.3 The school, training, or certification referred to in Sections 21.1 and 21.2 above shall be mandatory upon each employee, requiring the attendance of such employee whether on his/her off-duty or on-duty time, depending upon when such classes occur.
- 21.4 Employer-required training shall be at the Employer's expense and time spent traveling to training sessions away from the employee's regular workplace as well as class attendance shall be considered compensable time at the applicable rate.
- 21.5 On a volunteer basis and with authorization of the employer, an employee may attend any seminar, school or class for the purpose of individual career advancement and/or enhancement. Such training shall not be considered work time, even though the Employer may pay for the expenses of, or part of, such training.
- 21.6 Employees shall not suffer any loss of pay, benefits, promotional opportunities or any other negative consequences for non-participation in voluntary training activities.

## **22. EDUCATIONAL REIMBURSEMENT**

- 22.1 The Employer is desirous of having employees participate in courses and training opportunities to enhance their skills and enable them to advance to other positions. Accordingly, it shall be the Employer's goal to assist full-time, regular employees in the furtherance of this policy by offering a tuition reimbursement program for courses or training at accredited colleges and universities.
- 22.2 To qualify for reimbursement, the employee must make application to, and receive prior approval from, the Sheriff. Such approval shall be at the sole discretion of the Sheriff.
- 22.3 An employee requesting tuition reimbursement must submit a written application showing: a) the course curriculum description; b) dates and times of classes; c) duration of the course; d) narrative statement of how the course will benefit the Employer as well as the employee.
- 22.4 If an employee's application is approved, the reimbursement will be for tuition only if and when: a) the course is completed within six (6) months of approval; b) completed with a "pass" in a pass/fail grading system or a grade of "C" or better. The maximum

reimbursement per credit will be the cost per credit charged by Centralia College.

- 22.5 An employee who receives tuition reimbursement agrees to continue to work for the Employer for twelve (12) months following the completion of the course; if not, the reimbursement is pro-rated and the employee authorizes reimbursement to the Employer from the last pay check issued. An employee who is unable to remain in the Employer's employment due to circumstances beyond the employee's control shall not be required to reimburse the Employer if the twelve (12) month period is not met.
- 22.6 Reimbursement shall be for actual tuition, or the cost of the course. All other expenses, such as travel and books, shall be paid by the employee.

### **23. EDUCATION INCENTIVE**

- 23.1 As an educational incentive, each employee who holds an Associate's Degree shall be entitled to an additional thirty-five dollars (\$35.00) each calendar month, and each employee who holds a Bachelor's Degree shall be entitled to an additional sixty-five dollars (\$65.00) each calendar month. Employees' holding a Master's Degree or higher shall be entitled to an additional eighty (\$80.00) dollars each month. Degrees must be issued by an institution accredited by a regional accrediting agency (e.g., Northwestern Association of Schools and Colleges or the Western Association of Schools and Colleges.)
- 23.2 FTO (Field Training Officer) Incentive. Any employee assigned to serve as an assigned Field Training Officer to another employee in training shall be entitled to an additional two dollars (\$2.00) per hour while so engaged.

### **24. COMPLAINTS, INVESTIGATIONS, DISCIPLINE, PERSONNEL FILES**

#### 24.1 Citizen Complaints

- 24.1.1 Whenever a citizen complaint is received by the Employer, a determination will be made regarding whether the complaint is criminal or non-criminal. Criminal matters will be forwarded to the appropriate investigating authority.
- 24.1.2 A non-criminal citizen complaint will not be considered formal until such time as the complaint is reduced to writing. A written complaint may be handwritten by the complainant, typed, taped or otherwise reduced to writing and attested to by the complainant.

#### 24.2 Supervisory or In-House Complaints

- 24.2.1 Supervisory or in-house complaints of misconduct or policy violation will be looked into by the Employer to determine relevant facts. The Employer shall attempt to handle the violation at the lowest level of authority appropriate to the violation to assure corrective action, but if it is a serious violation as set forth in Section 24.3 below, said section shall apply.

#### 24.3 Investigations

24.3.1 In cases of serious violations, which are violations that may result in an un-timed letter, suspension, demotion, or termination, the complaint (whether a citizen complaint, supervisory or in-house complaint, or other) must be forwarded to the administrative staff. The interview of an employee concerning action(s) or inaction(s), which, if proved, could reasonably lead to a written reprimand, suspension without pay, demotion, or discharge for that employee, shall be conducted under the following conditions and procedures:

- a) Investigations into allegations of employee misconduct shall be classified in the notice as either "Type I" or "Type II." For a Type II investigation, discipline will not be greater than a written reprimand. If notice of a Type I investigation is given, the range of discipline may be any of the disciplinary actions (i.e. written warning through discharge). The notice can be amended at any time during the course of the investigation, provided that an amended notice is provided to the employee and the Union. The outcome of Type I/Type II investigations shall be a finding that is categorized as either "sustained," "not sustained," "unfounded," or "exonerated."
- b) At a reasonable time (at least forty-eight hours) in advance of the investigative interview, the employee shall be informed in writing, with a copy to the Union, of the nature of the investigation; the specific allegations related thereto; and the policies, procedures and/or laws that form the basis for the investigation; and shall be advised that an opportunity to consult with a Union representative will be afforded prior to the interview. The employee may waive the forty-eight-hour notice in writing only.  
The employee may be assigned to home and placed on paid administrative leave while an investigation and disciplinary determination is in progress. The employee shall be required to be available by phone during their regular work shift, and able to report to work upon request within a reasonable period.
- c) The requirements of these shall not apply if (1) the employee is under investigation for violations that are punishable as felonies or misdemeanors under law, or (2) notices to the employee would jeopardize the administrative investigation.
- d) If a complainant has filed a formal complaint regarding an action or inaction of an employee and the Employer deems further investigation is necessary, the employee shall be provided a copy of the complaint as soon as practical, with a copy forwarded to the Union.
- e) The employee shall have the right to have a Union representative present during any interview that may reasonably result in discipline of the employee. The Union representative may not obstruct nor hinder the interview, but they can clarify points, ask questions of the interviewee at the conclusion of the investigator's questions or point out pertinent information to assist in gathering facts. The opportunity to have a Union representative present at the interview or the opportunity to consult with a Union representative shall not unreasonably delay the interview. However, if the interview begins with the consent of the employee in the absence of a Union representative, but during the interview the employee concludes that assistance is required by reason of increasing seriousness of the disciplinary problem, the employee shall be allowed a reasonable time in which to obtain a Union representative.

- f) To the extent reasonably possible, all interviews under this Section shall take place at the Sheriff's Office facilities, or other mutually agreed upon location.
- g) The Employer may schedule the interview outside of the employee's regular shift, which shall count as time worked and subject to overtime if applicable.
- h) The employee shall be required to answer any question concerning a non-criminal matter under investigation and shall be afforded all rights and privileges to which the employee is entitled under State or Federal laws.
- i) The employee shall not be subject to abusive or offensive language or to coercion, nor shall interviewer(s) make promises of award or threats of harm as inducements to answer questions.
- j) During an interview, the employee shall be entitled to such reasonable intermissions as the employee may request for personal physical necessities.
- k) All interviews shall be limited in scope to activities, circumstances, events and conduct that pertain to the action(s) or inaction(s) of the employee that is the subject of the investigation. Nothing in this Section shall prohibit the Employer from questioning the employee about information that is developed during the course of the interview.
- l) If the Employer tape-records the interview, a copy of the complete tape-recorded interview of the employee, noting the length of all recess periods, shall be furnished the employee upon the employee's written request. If the interviewed employee is subsequently charged with misconduct, at the request of the employee or on its own volition, the Employer shall provide a copy of the recording to the Union on behalf of the employee.
- m) Interviews and Internal Affairs investigations shall be concluded without unreasonable delays.
- n) The employee and the Union shall be advised promptly, in writing, of the results of the investigation and what future action, if any, will be taken regarding the matter investigated.

#### 24.4. Disciplinary Actions

24.4.1 Regular employees may be disciplined in the form of a documented warning, suspension, demotion, or discharge for just cause.

24.4.2 A pre-disciplinary hearing shall be held by the Employer in cases in which the complaint is believed to be valid and sanctions are anticipated. Such hearing shall be scheduled within fourteen (14) calendar days of the supervisor's completed investigation. Should additional investigation be required before a hearing can be set, the involved employee(s) shall be notified in writing of the delay and the expected completion date. The employee shall receive written notification at least seventy-two (72) hours prior to the pre-disciplinary hearing. The Employer, and employee may mutually agree to waive the (72) hour notification requirement. The written notification shall provide the following information:

- a) The basis of the alleged infraction;
- b) The applicable policies/rules/directives alleged to have been violated;
- c) Notice to the employee of his or her right to Union representation during the hearing;
- d) A copy of the complete investigation (upon written request of employee). In no case shall the employee be afforded less than one (1) hour to inspect the disciplinary folder prior to the commencement of the pre-disciplinary hearing. Redactions of certain information in the investigation may be required by law.

24.4.3 Discipline may only be imposed for just cause.

24.4.4 A pre-disciplinary hearing shall be conducted during the employee's normal work hours unless the urgency to resolve the complaint dictates otherwise. If the employee is working a shift other than day shift, the pre-disciplinary hearing will be held as close as practical to the employee's normal work hours.

24.4.5 The employee may, if the employee wishes, advise the Employer that he or she will not proceed with a pre-disciplinary hearing. Once the Employer has afforded the employee the opportunity of a pre-disciplinary hearing and the employee chooses not to participate, the Employer may proceed with disciplinary action.

24.4.6 When a resolution of any complaint has been reached, the affected employee will be notified in writing of the outcome within fourteen (14) calendar days of the aforementioned pre-disciplinary hearing, not including the hearing date, unless an economic sanction or termination is recommended, in which case, the recommendation will be made in writing and submitted to the Undersheriff/Chief of Staff within fourteen (14) calendar days. A Loudermill hearing will be provided and final determination will be within fourteen (14) calendar days of the issuance of the recommendation, not including the date of issuance. In cases where serious sanctions have been administered, a copy of the discipline folder will be provided, upon employee request, to the employee after final disposition.

24.4.7 Should the Employer fail to adhere to the timelines set forth in this section regarding the scheduling of hearings or the issuance of resolutions, such matters will be deemed closed and not subject to further redress. It is understood by the parties that due to the nature of certain specific cases that either party may require an extension to the aforementioned timelines to properly investigate or process the matter. The granting of extensions shall be on a case-by-case basis and shall not be unreasonably withheld.

## 24.5. Personnel Files

24.5.1 Disciplinary materials at the level of a Documented Warning or higher shall be maintained in the official personnel file of the employee. In cases where a timed letter has been placed into an employee's file, such letter shall be automatically removed from the file upon the expiration of the duration of the notice.

24.5.2 Access to personnel files is limited to the employee, his/her authorized representative, officials of the County with a business need for access or as provided by law. Employees shall be provided copies of all disciplinary notices and performance evaluations before such material is placed in the personnel file and shall have the right to attach a rebuttal statement. The employee is required to acknowledge receipt of the materials. Acknowledgement shall not be construed as agreement or concurrence with the discipline or evaluation.

## **25. SENIORITY, LAYOFF, RECALL, AND VACANCIES**

25.1 Seniority - Each employee shall have seniority standing equal to such employee's continuous length of service. The Employer will maintain a seniority list and provide it to the Union periodically and upon request.

25.1.1 Where employees have the same seniority date, ties shall be broken by the level of placement on the Civil Service hiring list, with the higher list position resulting in the highest seniority placing.

25.2 Layoff - In the event of layoff of regular employees, such employees shall be laid off in reverse order of seniority within the bargaining unit except when a specific position is eliminated.

25.2.1 When a specific position is eliminated, the least senior bargaining unit member in that position in his or her category is subject to layoff. That member shall have the right to bump to any position to which he/she is qualified at the time (in their category) and in which the present employee has less bargaining unit seniority. The bumped person may bump in turn in the same manner. The County shall issue a written notice of the action being taken, and the initially and subsequently bumped employees shall have five (5) working days to indicate their decision. If the employee previously held the affected position, he or she shall be permitted a 30 working day trial period to manifest satisfactory performance after which he or she shall be assigned in the position. If he or she is unable to manifest satisfactory performance, he or she may exercise any additional bumping rights his or her seniority and qualifications allow.

25.2.2 If the layoff results in a Category 2 employee being laid off who has Category 1 seniority (must have worked in a position in that group) said employee shall have the option of being laid off or bumping a Category 1 employee who has less seniority. Should the Category 2 employee bump into Category 1 said employee's seniority shall be continued as if there was no change in their category.

25.2.3 Layoff notices shall be in writing and shall be provided to an affected employee and the Union at least thirty (30) calendar days in advance of the layoff date.

25.2.4 For layoff purposes the Work Group Category shall be as follows:

- Category 1: Support Technician 1 and 2
- Category 2: Accountant, Administrative Assistant
- Category 3: Community Services Officer is its own separate category, with no bumping rights into Category 1 or 2

25.2.5 In all cases of layoff and bumping, the employee must have the skills, abilities, and qualifications to perform the duties assigned to the position they are bumping into.

25.2.6 Extra-help and probationary employees do not have any bumping rights.

25.3 Recall

25.3.1 Employees laid off shall be placed on a recall list for twelve (12) months, and shall be recalled in the reverse order in which they were laid off.

25.3.2 Recall to Former Position. If the specific position formerly held by a laid off employee is reopened during that 12-month period, then that employee will be recalled to fill that position. This provision will also apply in situations in which the restored position has been reorganized, but retains substantially the same skills and duties as the former position. Employees on the recall list shall also be entitled to open positions that they previously held.

25.3.3 Recall Within the Bargaining Unit. When new positions are opened within the bargaining unit, current employees shall have priority over employees on the recall list, but qualified employees, as defined by the employer, on the recall list shall have priority over external applicants. Seniority shall apply in this situation as described in 25.3.2 above length of service with this Employer in a position within the bargaining unit. Continuous length of service shall be broken if the employee is terminated, quits, accepts a leave of absence exceeding 180 days, or is on layoff status exceeding 12 months.

25.4 Vacancies - When a vacancy occurs within this bargaining unit, an existing qualified employee may submit an application for the position and shall be considered prior to any outside applicants and prior to employees on the recall list who have not held the vacant position previously. The application shall be submitted within the time lines set forth in the written posting of the job opening. The hiring decision and determination of an employee's qualifications for a particular position shall be within the sole discretion of the Employer.

25.4.1 Subject to the Civil Service Rule of 3, Seniority shall prevail in the case of promotions and newly created jobs when job knowledge, past performance and competency are equal.

**26. GRIEVANCE PROCEDURE**

26.1 Grievance Definition: A grievance is defined as a dispute or complaint arising under and during the term of this Agreement, raised by an employee or the Union, involving an alleged misapplication or misinterpretation of an express provision of this Agreement. This grievance procedure shall be the exclusive means for resolving such grievances.

26.2 Timeliness. Time limits within the grievance procedure may be waived or extended by the mutual agreement of both parties. If the Union, on behalf of the employee, fails to act or respond within the specified time limits, the grievance will be considered waived. If the Employer fails to respond within the specified time limits, the grievance shall proceed to the next available step of the grievance procedure.

26.3 Timelines. Time limits within the grievance procedure must be strictly adhered to unless mutually modified in writing. Requests for extensions by either party shall not be unreasonably denied. Days, for purposes of this article and all articles within this agreement are calendar days and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday, or holiday, the last day will be the next business day.

If the Union, on behalf of the employee, fails to act or respond within the specified time limits, the grievance will be considered waived. If the Employer fails to respond within the specified time limits, the grievance may proceed to the next available step of the grievance procedure.

#### 26.4 Steps

26.4.1 Step One: The Union, on behalf of the aggrieved employee, shall submit the grievance in writing to the Undersheriff within fourteen (14) calendar days of the events giving rise to the grievance. The written statement shall include the facts giving rise to the grievance, the section(s) of the Agreement allegedly violated, and the remedy sought. The Undersheriff shall meet with the grievant and appropriate Union representative(s), and thereafter respond to the grievance in writing within fourteen (14) calendar days of its receipt.

26.4.2 Step Two: Should Step One fail to resolve the grievance, the Union shall, within fourteen (14) calendar days after receipt of the Undersheriff's response, submit the grievance in writing to the Sheriff. The Sheriff shall meet with the grievant and appropriate Union representative(s), and thereafter respond in writing within fourteen (14) calendar days following receipt of the Union's grievance.

26.4.3 Step Three: Should Step Two fail to resolve the grievance, the Union shall, within fourteen (14) calendar days after the Union's receipt of the Sheriff's or designee's decision, give written notice to the Employer of its intent to submit the grievance to arbitration.

26.4.3.1 Within fourteen (14) calendar days of the Employer's receipt of the Union's request to arbitrate, a representative of the Union and a representative of the Employer shall meet and attempt to agree on a neutral arbitrator. If unable to reach agreement, they shall request a list of eleven (11) arbitrators from the Federal Mediation and Conciliation Service ("FMCS") or the Public Employee Relations Commission (PERC). The list shall be limited to arbitrators who are members of the National Academy of Arbitrators from Washington State. Within fourteen (14) calendar days following the receipt of the list of eligible arbitrators, the parties or their representatives shall meet to select an arbitrator. The parties shall each strike five arbitrators from the list in an alternating order, and the remaining arbitrator shall hear the dispute. The party exercising the first strike shall be the loser of a flip of a coin.

26.4.3.2 The arbitrator shall have no power to render a decision that will add to, subtract from, or alter, change, or modify the terms of this Agreement, and his power shall be limited to interpretation of application of the express terms of this Agreement, and all other matters shall be excluded from

arbitration.

- 26.4.3.3 The arbitration shall rule only on the basis of information presented in the hearing and shall refuse to receive any information after the hearing except in the presence of both parties and upon mutual agreement.
- 26.4.3.4 The decision of the arbitrator shall be final, ~~conclusive~~ and binding upon the Employer, the Union and the employees involved, provided the decision does not involve or require action by the Employer which is beyond the arbitrator's jurisdiction. If the Employer claims that the award is beyond the arbitrator's jurisdiction, the matter shall be resubmitted to the arbitrator for reconsideration. The Employer shall have a right of judicial review on the issue of jurisdiction if the arbitrator does not grant reconsideration of the jurisdiction issue.
- 26.4.3.5 Each party shall bear its own costs associated with the arbitration, including its attorney's fees, and shall pay one-half of the cost of the arbitrator.
- 26.4.3.6 The arbitrator's decision shall be made in writing and shall be issued to the parties.
- 26.4.3.7 Arbitration awards or grievance settlements shall not be made retroactive prior to the date of the occurrence or non-occurrence upon which the grievance is based.

**27. CIVIL SERVICE CONFLICT**

- 27.1 With respect to questions of hiring, retention, promotion, demotion and termination, in the event of conflict between the provisions of this Agreement and the jurisdiction and rules of the Lewis County Civil Service Commission, the rules and jurisdiction of the collective bargaining agreement shall prevail.
- 27.2 The bumping rights provisions contained in Article 25 of this collective bargaining agreement shall prevail, if deemed to conflict with Civil Service rules or regulations,

**28. BARGAINING UNIT WORK**

- 28.1 The Employer shall use temporary/extra-help employees or volunteers only to supplement rather than to supplant the work currently performed by employees in positions in this bargaining unit.
- 28.2 The Employer may contract out work which could be performed by the bargaining unit so long as such contracting of work does not directly cause the loss of an existing job position.

**29. IMMUNIZATIONS**

- 29.1 Employees whose job duties cause them to come in contact with blood borne pathogens, shall be provided with the option to receive a Hepatitis B immunization, in accordance with Blood Borne Pathogens Standards, to be paid for by the Employer.
- 29.2 Such employees shall be provided with the bloodborne pathogens safety equipment as required by state or federal law.
- 29.3 Employees who may be at risk of job-related infection shall be trained in bloodborne pathogen protection.

**30. SEVERABILITY**

- 30.1 In the event that any portion of this Agreement is held contrary to Federal or State statute or law, such portion shall be null and void; provided, however, that negotiations may be immediately re-opened by either party pertaining only to that portion which is held contrary to law.

**31. SUCCESSOR AGREEMENT**

- 31.1 This agreement and each of its provisions shall be in full force and effect when ratified by the parties, unless a different effective date is specified. Written notice to begin negotiations for a successor agreement shall be served by either party upon the other at least ninety (90) days prior to the expiration date.

**32. CIVIL LIABILITY**

- 32.1 Where an employee has acted in good faith within the scope of employment with Lewis County, and has not willfully committed acts or omissions which are wrongful, the employee may, subject to RCW 4.96.041, and in accordance with the procedures adopted from time to time by the Employer by County resolution, make a written request for indemnity and defense.
- 32.2 In all such instances the Employer shall provide legal representation for the employee and the employee's marital community in defense of allegations of acts or omissions in the performance of the employee's official duties, and where the Employer has undertaken, or should have undertaken representation, the Employer shall pay any monetary judgment awarded against the employee and the employee's marital community.
- 32.3 As used in this Article 32, the term *employee* includes a former employee of Lewis County.

**33. EFFECTIVE DATE AND DURATION OF AGREEMENT**

**ELIGIBILITY TO PARTICIPATE IN TRUST**

Eligibility for benefits is determined in accordance with the requirements established in the Collective Bargaining Agreement provided such requirements are consistent with the Trust guidelines. To establish eligibility for benefits, Trust guidelines require that eligible employees must have the required number of hours in a month and have the contractually required contributions paid on their behalf. Eligibility will commence according to the Trust's lag month eligibility rule. Eligibility continues as long as the employee remains eligible, has the contractually required number of hours per month, and has the required contributions made. The Trust, however, will not recognize any contractual provision that conditions continued eligibility on having less than 40 or more than 80 hours in a month. Eligibility will end according to the Trust's policy for employees who do not have the required number of hours and contributions in a month and who do not qualify for an applicable extension of eligibility, if any.

Employees of a participating employer not performing work covered by the Collective Bargaining Agreement may participate in the Trust only pursuant to a written special agreement approved in writing by the Trustees. The Trustees reserve the right to recover any and all benefits provided to ineligible individuals from either the ineligible individual receiving the benefits or the employer responsible for misreporting them (if applicable).

**REPORTING OBLIGATION AND CONSEQUENCES OF DELINQUENCY**

Employer contributions are due no later than ten (10) days after the last day of each month for which contributions are due. The Employer acknowledges that in the event of any delinquency, the Trust Agreement provides for the payment of liquidated damages, interest, attorney fees, and costs incurred in collecting the delinquent amounts.

**TRUSTEES' AUTHORITY TO DETERMINE TERMS OF PLANS**

The parties recognize that the detail of the benefit plans provided by the Trust and the rules under which employees and their dependents shall be eligible for such benefits is determined solely by the Board of Trustees of the Trust in accordance with the terms of the governing Agreement and Declaration of Trust (Trust Agreement). The Trustees retain the sole discretion and authority to interpret the terms of the Trust's benefit plans, the plans' eligibility requirements, and other matters related to the administration and operation of the Trust and its benefits plans. The Trustees may modify benefits or eligibility of any plan for the purpose of cost containment, cost management, or changes in medical technology and treatment.

**MECHANISM FOR HANDLING CONTRIBUTION INCREASES**

The Trustees' authority shall include the right to adjust the contribution rates to support the benefit plans offered by the Trust and to maintain adequate reserves to cover any extended eligibility and the Trust's contingent liability.

The parties recognize that it is the intent of the Trust not to provide employee benefit plans for less than the full cost of any such plan. If the Collective Bargaining Agreement does not provide a mechanism for fully funding the designated benefit plans, the Board of Trustees may substitute a plan then available that is fully supported by the employer's contribution obligations. The disposition of any excess employer contributions will be subject to the collective bargaining process.

**ACCEPTANCE OF TRUST AGREEMENT**

The Employer and the Labor Organization accept and agree to be bound by the terms of the Trust Agreement governing the Trust, and any subsequent amendments to the Trust Agreement. The parties accept as their representatives for purposes of participating in the Trust the Trustees serving on the Board of Trustees and their duly appointed successors.

Provided, however, that in the event that either Section 2 or 3 of Article VIII of the Trust Agreement is amended to change or modify an Employer's liability as specified therein, such amendment will not be deemed applicable to an Employer until such time as the Employer enters into a successor Collective Bargaining Agreement after the expiration of the Employer's then current Collective Bargaining Agreement.

**APPROVAL OF TRUSTEES**

This Agreement has been approved by the Board of Trustees of the Washington Teamsters Welfare Trust.
