

Home Composting: *Making "Black Gold"*

Saturday, April 18; 12:30 PM

Salkum Timberland Regional Library
2480 U.S. Hwy 12, Salkum, WA 98582

Join our **free** composting class and learn how to turn everyday yard and kitchen waste into nutrient-rich "**black gold**"! This class will cover basic essentials you need to improve your composting skills whether you're a beginner or experienced home composter.

What you'll learn about:

- *How composting works*
- *What to compost and what to avoid*
- *Composting systems, tools, and techniques*
- *Troubleshooting common problems*

First 12 registrants receive a *FREE* Geobin Composter!
