

Lewis County Environmental Health – Certified Septic Designers / Engineer Firms

Designers and Professional Engineers (P.E.) must be licensed by the State of Washington Board of Registration for Professional Engineers and Land Surveyors – On Site Program. Following is a reference list provided as a courtesy to you. This list includes Designers / Engineer Firms who have provided documentation to this department verifying they are certified to conduct business in the State of Washington. Applicants are urged to make prudent inquiries and obtain recommendations prior to contracting for the design / engineer of an on-site sewage disposal system.

THIS DEPARTMENT MAKES NO REPRESENTATION REGARDING ADDITIONAL QUALIFICATIONS OF THOSE PERSONS LISTED, NOR DO WE GUARANTEE OR WARRANT WORK PERFORMED BY THE DESIGN / ENGINEER FIRMS INCLUDED ON THIS LISTING. THIS LIST DOES NOT CONFER ANY RIGHTS TO INDIVIDUALS LISTED.

To verify certification of any Designer or Professional Engineer please contact the Washington State Board of Registration at (360) 664-1568.
