Smokey Padgett

Scheduled Date	Permit Number	Inspection	Reason	Site Address	Project Description
08/19/2026	B26-00331	DRYWALL	REINSPECTION	356 NELSON RD, WINLOCK	Single Family Residence
08/19/2026	B26-00192	FRAMING COMBO	REINSPECTION	119 LEAK DR, WINLOCK	Expanding home to accommodate homeschool activities is the main purpose. Our current primary bedroom room would turn into the rec room for this, making the new primary bed and bath necessary. Secondary purposes are having more room for possibly future work from home offices and/or room for gym equipment. Also changing the current laundry room (glorified walk way to the garage) into a pantry will help make room for food storage that we produce on our little homestead, this makes the new utility room necessary and honestly would be more functional than the current set up.
