Accessing your Dental and Vision Benefits

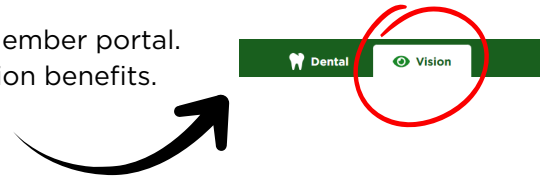

DELTA DENTAL + vsp vision care = DeltaVision® In partnership with VSP®

What is DeltaVision?

DeltaVision, is a partnership between Delta Dental of Washington and VSP® Vision Care. It works hand-in-hand with your Delta Dental coverage to give you complete care for your smile and your sight. With your Delta Dental MySmile® member account, you can easily access your dental and vision benefits, view your ID card, and connect with trusted providers for exams, treatment, glasses, and more—all in one place.

Just follow these quick steps to get started:

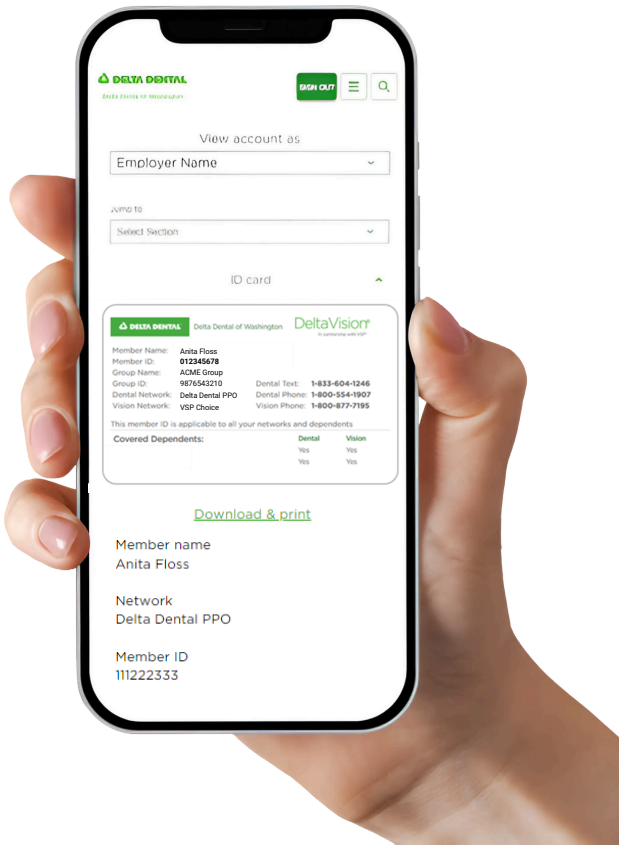

1. **Set up your Delta Dental MySmile® account**
   Register or log in to MySmile, your secure Delta Dental member portal. Here you can see your ID number for both dental and vision benefits. Make sure to click the "Vision" tab on the top green bar.

2. **Use MySmile single sign-on for vision**
   Once your account is created, you can log in to MySmile, simply click "Sign into VSP" for seamless single sign-on access to your VSP vision benefits!

Let's talk about ID numbers

- You'll find your ID number right on your MySmile® dashboard.
- **Use this single number for both your dental and DeltaVision benefits**—no need to remember anything extra.
- When you are scheduling an appointment with an in-network provider, **simply share ID number with your provider.** They can use that to access your coverage details.

You will need your member ID on your MySmile dashboard.
This ID works for both your dental and vision benefits.
