

2021 Planning Commission Topics

In no particular order, the following are general items Lewis County Staff would like the Planning Commission to consider in 2021:

- Code Change to allow Subdivisions as Type III application
- Shoreline Master Program Periodic Review
- Standards for reviewing comprehensive plan changes and site specific rezones
- Comprehensive plans and site specific rezone requests. The applications have not been deemed complete. If the applications are complete for review, the following will be reviewed by Planning Commission during 2021:
 - Comprehensive plan change and site specific rezone for 60 acres near Mary's Corner
 - Comprehensive Plan Change for Master Planned Resort for YMCA Resort in Mineral
- Public Participation Plan to adopt as an attachment to comprehensive plan or as a separate document
- Standards for campgrounds. Currently, there are no standards for campgrounds in the Lewis County Code
- Planned Growth Committee requests. The applications are not complete for review. If the applications are complete for review, the following will be reviewed by the Planning Commission during 2021:
 - Expansion of the Chehalis UGA
- Short Courses based on responses from survey

Additional items may be added or subjects may be modified as the year progresses
