RE: Bob DeGoede, File # SEP22-0001, RZ22-00001

The City Council for the City of Mossyrock agreed on August 11th, 2022, to accept the revised information regarding the parcels in the Type V Application Permit No. RZ22-000010, SEP22-0001. With only two parcels being recognized they understand that there should not be additional impact to the water issues, or the traffic issues stated earlier when first proposed.

If you have any questions, please feel free to call Angeleetta Hartmann at (360) 983-3300.

Respectfully submitted,

Randall Sasser

Mayor of the City of Mossyrock
