

Want To Get Involved?

1. Donate your time, talents, resources, or materials.
2. Become a WSU Lewis County Master Recycler Composter.

The Master Recycler Composter Program trains volunteers to teach and demonstrate how to **Reduce, Reuse, and Recycle** solid waste through workshops, demonstrations, special events, and other educational outreach.

If you are interested in helping to promote vibrant, sustainable and resilient communities and want to do your part to improve the environment, consider becoming a **Master Recycler Composter!**

For more information or to request an application, contact the **Master Recycler Composter Program Coordinator** at jason.adams@lewiscountywa.gov or (360) 740-1216

The WSU Lewis County Master Recycler Composter Program is a 501 (c)(3) non-profit organization and charitable gifts are considered tax-deductible.

Monetary donations can be mailed to:

**WSU Lewis County
Master Recycler Composters**
351 NW North Street
Chehalis, WA 98532

Deliveries of material donations can be arranged via email at: jason.adams@lewiscountywa.gov

The WSU Lewis County Master Recycler Composter Program is made available through the partnership of WSU Extension, Lewis County Solid Waste Utility, and the Washington State Dept. of Ecology.

WASHINGTON STATE UNIVERSITY

WSU Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local WSU Extension Office.
