The figures certified herein are intended to match levy certification paperwork provided to the Board of County Commissioners by taxing districts, which are attached and incorporated herein by reference. To guard against scrivener's errors, in the event that this certification conflicts with figures provided in the incorporated taxing districts' levy certifications, the latter shall control. Moreover, if a taxing district correctly provided its levy certification paperwork to this Board by November 30, as extended by RCW 1.12.040 if applicable, and this Board has neglected to include its paperwork herein or to properly certify its levy amount, the levy shall be treated as certified; this Board has no power to deprive a district of its lawful levy through ministerial oversight. *Pub.
