This annual report is prepared to assist you, as property owner and taxpayer, to understand the functions of the Lewis County Assessor's Office. We take pride in the services we provide to you and wish to solicit your comments on how we may improve our processes.

We are proud of our new website, PATS, located at [www.co.lewis.wa.us](http://www.co.lewis.wa.us). Please take a tour of the site for property assessments, taxes and mapping information. You will find it to be user friendly and informational. If you have questions about the site, please contact our staff during normal business hours, or use the help screen on PATS.

Initiative 747 limits the taxing districts to a 1% annual increase over last year's lawful levy amount. Overall tax collection in 2003 was \$52,230,261.04 and for 2004-tax year the amount to be collected is \$55,783,420.63. Voted levies passed by each district are not included in the 1% limitation.

The Lewis County Assessor's primary function is to determine the value of all taxable real and personal property. All properties must be assessed at 100% of true and fair market value for tax purposes with variations as required by law. Lewis County has approximately 55,888 parcels of real property, which must be inspected and appraised no less than every four years. Lewis County assessed 3,962 Personal Property and State Assessed Utility parcels. The total number of real and personal property parcels is 59,850.

There are approximately 61 taxing districts, which submit budgets annually to determine the amount of tax that will be collected. The 2003 total taxable value is \$4,948,453,878 showing a 7% increase in the county's aggregate taxable value from last year. In 2003, there were 2,283 properties that were sold in Lewis County totaling \$270,098,551. There was \$232,032,434 county wide of new construction value, up 55% from 2002.

## **ASSESSMENT AND TAX INFORMATION**

The function of the County Assessor is not the levying of taxes, but the appraisal of property for establishing valuation upon which city, county, state school, local school, library, port, fire, hospital, cemetery, and county road taxing districts may levy taxes.

**REAL PROPERTY** assessed value is 100% of true and fair market value at the time of appraisal. The Assessor uses computer-assisted appraisal methods which apply professionally established processes of estimating value. The Assessor is required to maintain an active and systematic program of real property revaluation on a continuous basis; every parcel in the county must be reappraised at least once in every four to six years. Lewis County is on a four year cycle of revaluation. The Assessor is planning and developing an annual revaluation program with implementation to begin in the near future. This program will allow the Assessor to respond to current market conditions with a more equitable and cost effective method of assessment.

**TAXABLE PERSONAL PROPERTY** includes agricultural machinery and equipment, manufacturer's, contractor's, and logging machinery and equipment, office machinery and equipment, and supplies and materials which are not held for sale or do not become an ingredient or component of an article being produced for sale. Furniture and fixtures in commercial use, leased equipment, certain leasehold improvements, franchises and easements of intra-county public utilities, lessee owned improvements on public land, and commercial vessels not subject to excise tax are also assessed and taxed as personal property.

Most personal property assessments are based on information provided by the taxpayer on personal property affidavit forms furnished by the Assessor. The Assessor uses this information to determine value, taking into consideration the age, cost, and type of property. When the affidavit is processed and the property valued and entered on the assessment roll, a Personal Property Valuation Notice is mailed to the taxpayer.

**TAXPAYER'S RIGHT OF APPEAL:** If, after receiving a Notice of Change of Value on your property, you think that the new value does not represent market value, you should consult the Assessor. The appraisal of your property will be reviewed, and if you still do not think the value represents market value, you may petition for a hearing before the county Board of Equalization. It meets in July each year at the filed by July 1st or within 30 days of receipt of the Notice of Change of Value.

**TAXES:** Assessments are made as of 12:00 noon, January 1st, and taxes are due and payable on or after February 15th of the following year. First half taxes must be paid by April 30th or the entire tax becomes delinquent. Second half taxes become delinquent if not paid by October 31st.

**LEVIES:** The aggregate of all regular tax levies (excluding state schools) shall not exceed the limit of \$5.90 per thousand dollars of assessed value without voter approval.

The statutory levy for taxes payable in any year may be exceeded only by a vote of the electors. The ballot must state the dollar amount sought, and the estimated levy to produce that amount.

Taxes are not the same throughout the county due to three factors:

1. The various combinations of taxing districts (cities, fire districts, etc.) found in different areas of the county.
2. The size of the budget of each taxing district (regular levies).
3. Special levies and bond issues approved by the voters (excess levies).

County departments submit their budgets to the County Commissioners. Based upon the budgets, the Commissioners certify the amount of taxes to be levied to the Assessor.

The Assessor determines levy rates by dividing the amount to be levied by the assessed value of the taxing district. Levy rates are expressed in dollars per \$1,000 assessed value.

**SENIOR EXEMPTIONS:** An exemption is available for senior citizens and disabled persons. If you own a residence or mobile home, are 61 years of age or older, or are retired because of disability, and have an income less than \$30,000, (\$34,000 for deferrals) you may be entitled to a property tax exemption. State law also allows recipients of the exemption to defer any remaining taxes or special assessments up to 80 percent of their equity in the residence. The deferred taxes become a lien against the residence which is satisfied when the property is sold. Application may be made at the Lewis County Assessor's Office.

**HOME IMPROVEMENT EXEMPTIONS:** Physical improvement to a detached single family dwelling may be exempt from taxation for the three assessment years subsequent to the completion of the improvement, up to 30 percent of the value of the original structure. This home improvement exemption may be claimed only once in a five year period. Normal maintenance work does not qualify for this exemption. Notice must be filed, prior to completion of the improvement being made, on forms furnished by the Assessor.

**DESTROYED PROPERTY:** If, on or before December 31, in any calendar year, any real or personal property placed upon the assessment roll in that year is destroyed in whole or in part, the true cash value of such property shall be reduced for that year in an equitable amount as determined in provisions of law. Claim for reduction of assessment shall be filed with the County Assessor within three years after the date of destruction or loss of value.

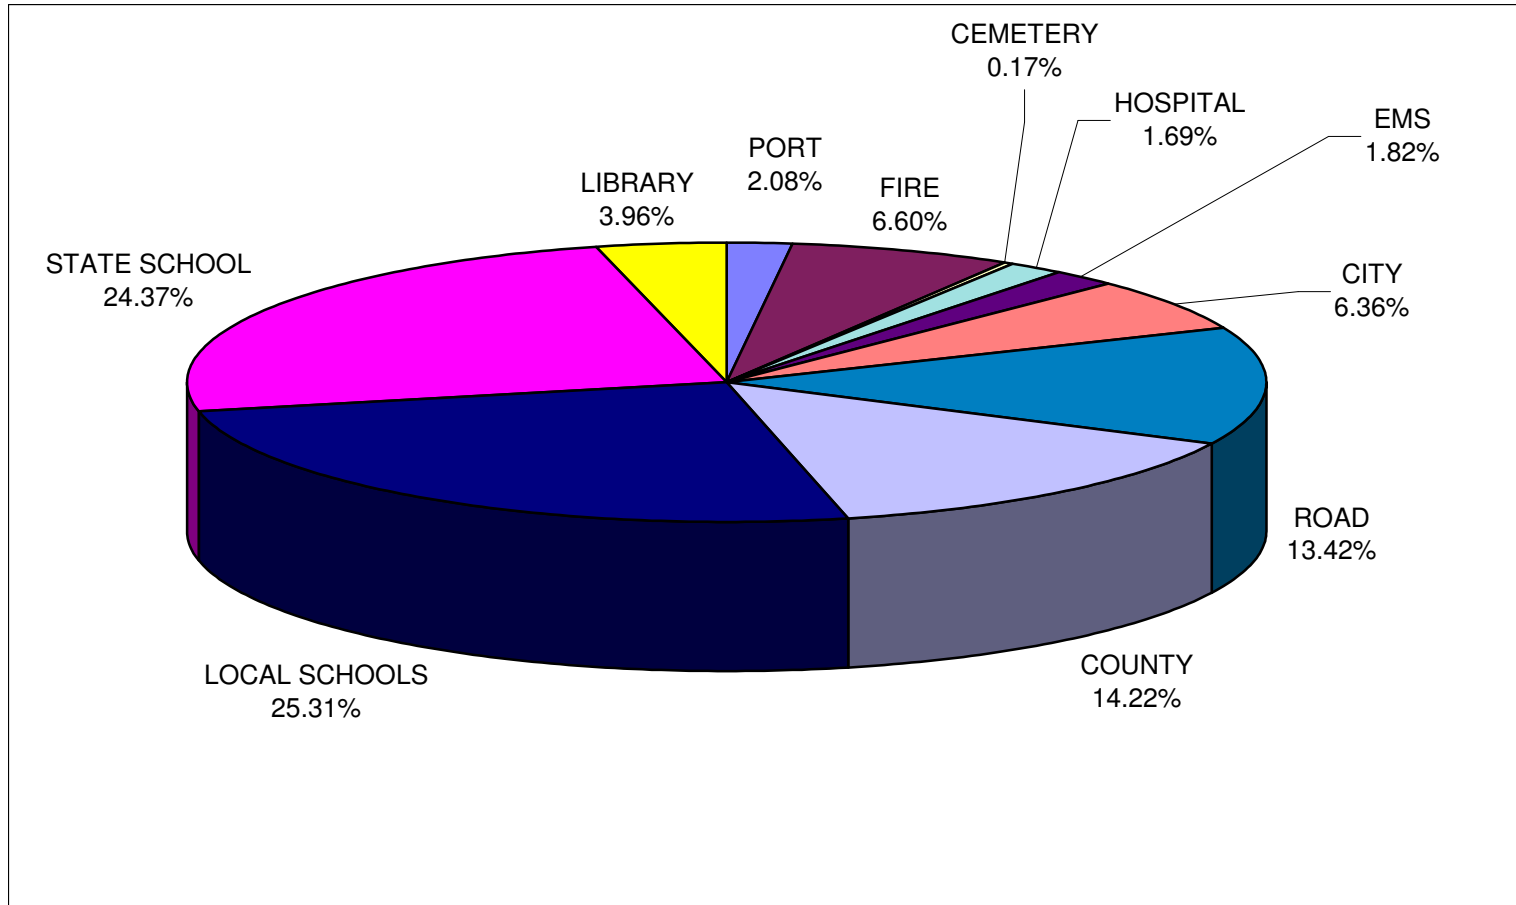

**CURRENT USE VALUATION:** The Open Space Act provides for current use assessment of farm and agricultural land, timberland, and other open space land. Applications for classification are made to the Assessor for farm and agricultural land and to the County Commission for other classifications.

Once land is classified, taxes are based on the current use value of the land rather than its highest and best use. The Assessor must maintain the current use value for as long as the property remains classified. At the same time, a record of the market value of the property is retained. The difference between the current use value and the market value becomes the basis for computing the additional taxes, penalties, and interest that may become payable upon a change of use or removal from classification.

**FORESTLAND** is subject to property tax under RCW 84.33.010. Land that has been either classified or designated under the law is assessed in accordance with valuation schedules developed by the Department of Revenue. The Assessor must determine which lands qualify and then assess the land according to forest land grades certified by the Department of Revenue.

Land which has no higher and better use than growing and harvesting timber may be classified as forest land by the Assessor. Land which is being used to grow and harvest timber but which is more valuable for other uses may be designated as forest land by the Assessor upon application by the landowner. To qualify as either classified or designated forest land, a parcel must be at least 20 acres in size and must be devoted primarily to, and used for, growing and harvesting timber. Both classified and designated forest land may be subject to a compensating tax if the use of the land is changed, or upon an owner's request to remove the classification or designation.

# TAX DOLLAR DISTRIBUTION

The disbursement of your tax dollar is shown above. For every dollar of property taxes paid, the taxing district received the amount shown in cents, i.e. 24.37 cents is collected by the County Treasurer, remitted to the State and redistributed to the school districts for school support. Other moneys collected are distributed locally to the remaining taxing districts, with the exception of Timber Library, a joint county taxing district.

**CONSOLIDATED TAX CODE AREAS & RATES  
FOR TAX YEAR 2004**

"TCA's" (Tax Code Areas) designate a unique set of taxing districts. They appear on tax statements. The first two columns list the Tax Code Area and regular, excess and total levy rates within that TCA. The columns to the right list levy types, taxing districts and levy rates. All rates are expressed in dollars per thousand dollars of assessed value.
