NOTICE OF PUBLIC HEARING BEFORE THE LEWIS COUNTY BOARD OF COUNTY COMMISSIONERS AND INTENT TO ADOPT PROPOSED ORDINANCE ADDING NEW SECTION TO LEWIS COUNTY CODE TITLE 10 RELATING TO UNMARKED COUNTY VEHICLES

NOTICE IS HEREBY GIVEN that the **LEWIS COUNTY BOARD OF COUNTY COMMISSIONERS**, will hold a public hearing on **Monday, April 6, at 10:00 a.m.** in the **Hearing Room of the Board of County Commissioners in the Lewis County Historical Court House at 351 NW North Street, Chehalis, WA 98532**, to receive public testimony regarding a proposal to add a section to Title 10 of the Lewis County Code specifying exceptions to the general requirement in state law to mark vehicles operated by local government agencies on public highways or used by local government agencies in the conduct of public business.

At the hearing, members of the public will be invited to speak and/or provide written statements regarding the proposed Ordinance 1257. After the public testimony portion of the hearing has ended, the Commissioners will deliberate and consider proposed Ordinance 1257 along with the public testimony. Proposed Ordinance 1257 may then be adopted with or without modification.

The hearing will address the addition of a new chapter 36 to Lewis County Code Title 10 that has been recommended by the Lewis County Prosecuting Attorney's Office and the Lewis County Sheriff's Office. The proposed section LCC 10.36.010(A) implements the authority granted by the Legislature to the Board of County Commissioners to adopt exceptions to the general requirement in RCW 46.08.065 that the county mark vehicles used or operated by the county. The proposed, new section authorizes exceptions to marking requirements in accordance with RCW 46.08.065 - .066. Specifically, under the proposal, unmarked sheriff's vehicles may be used for *general* undercover or confidential investigative purposes and *traffic control* purposes in addition to the existing statutory authorization to use such vehicles for *special* undercover or confidential investigative purposes. Under the proposal, other unmarked county vehicles may be used for law enforcement purposes and confidential public health work, public assistance fraud or support investigative purposes. Further, under the proposal, vehicles leased by the county on a casual basis for period of less than ninety days will not need to be marked. The proposed section LCC 10.36.010(B) reserves to the Board of County Commissioners the right to determine whether county vehicles are used for purposes listed in the exceptions enacted in LCC 10.36.010.

All persons wishing to be heard on this matter are encouraged to attend. Written comments may be submitted in advance of the hearing by mail or at the hearing by delivery in person.
