--------------	----

## Water Program

Water System Design	1
Well Sites	24
Water Availability Review	93
Group A Assessments	24
Group A Technical Assistance	21
Reduced Sanitary Control	9

## Group B Water Systems

Group B Water Systems	340
Group B Water Systems required to monitor	252
Annual Operating Certification Fee	252
Annual Operating Certification Compliance	99%
Bacterial Sampling Compliance	98%
Nitrate Sampling Compliance	100%

## Coliform

Non Acute Group B Resolved	20
pending*	1
Acute Pending	0

## Nitrates

Group B Increased Monitoring & alternative compliance	26
---	----

## Water Lab

Nitrate Samples	536
Coliform Samples	3110
Coliform positive	199
Ecoli positive	10

## Clandestine Drug Labs

Meth Labs Closed	0
------------------	---

## On- Site Program

Septic Permit Applications	439
Operations & Maintenance Permits	12
Soil Evaluations	26
Permits Issued	417

## Combined EH Reviews

State Environmental Policy Act (SEPA)	46
Administrative Variance	1
Administrative Approval	10
Boundary Line Adjustment	34
Large Lot Subdivision	1
Short Plat	6
Special Use Permit	0

\*Pending refers to working with the water system to resolve a current issue, i.e., developing a chlorination system, nitrate exploring treatment or a new source.  
\*\*Testing frequencies
