

Qualified Professional List

Updated July 9, 2026

The following consultants have provided sufficient documentation to the Lewis County Department of Community Development that they meet one or more of the definitions as a qualified professional pursuant to [Lewis County Code 17.10.170 "qualified professional"](#). This is a non-exhaustive list provided without charge as a resource to the public. Being identified on this list is not an endorsement or recommendation and is not a representation, warranty or guarantee, whether expressed or implied, as to the quality of services to be performed. This list is not an agreement with any statements or viewpoints made by any consultant. The County specifically and expressly disclaims any and all responsibility and liability of any kind for any acts, errors, or omissions by any person or entity on this list and for any damage or loss caused thereby.

Any person or entity that retains a consultant on this list does so at their own risk and is responsible for verifying that their chosen consultant, whether from this list or otherwise, has maintained all licenses, certifications, and other requirements to perform the service and for doing whatever investigation or research is necessary to be assured of the quality of service to be performed. Additional information about choosing a contractor may be found on the Washington State Department of Labor and Industries at [Verify a Contractor, Tradesperson or Business \(wa.gov\)](#).

The public is not required to hire consultants from this and may choose to use any consultant that meets the criteria of [Lewis County Code 17.10.170 "qualified professional"](#). Please note, regardless of which consultant is utilized, the County may require third party review at the applicant's expense.
