## Airport Obstruction Zone Application

If your Master Site Review determined an Airport Obstruction Zone Permit is required, the following is required to be submitted with the building permit application:

- Completed 'Airport Obstruction Zone Application'
- Approved Master Site Review and approved site plan
- Federal Aviation Administration (FAA) Part 77 Approval. For the FAA review, you will need to file the FAA Form 7460-1, Notice of Proposed Construction or Alteration. Use the following link for instructions and additional information: <https://oeaaa.faa.gov/oeaaa/external/content/efilerGuide.jsp>
- Associated fees (\$90)

### Acknowledgment

I certify that all plans, specifications and other submissions required in support of this application conform to the requirements of all federal, state, and local codes and applicable laws and ordinances; and I certify that I am either the current legal owner of this property or their authorized representative. With this document, I take full responsibility for the lawful action that this document allows.

I certify that I have read and understand the limitations and conditions of Lewis County Code and agree to comply with all conditions of approval. I understand that any permits issued by Lewis County, consistent with the attached site plan, are valid ONLY if construction is in according to this plan and all other conditions of the permit are followed. By my signature below, I affirm that all the information and documents provided with this application are true and accurate to the best of my knowledge.
