Hi Robert,

The review of the revised legal descriptions is complete and no additional corrections are needed. The \$50.00 BRB filing fee can now be submitted to the County Commissioners' Office (Attn. Tammy Martin).

Once the BRB filing fee is submitted, the file number will be assigned and the 45-day BRB notice of intention will be prepared and routed to agencies for that portion of the BRB process.

Thank you,

Karen

Robert,

The revisions to the legals are being reviewed. Once that is finished, I will let you know if the annexation packet is complete or not. If the packet is complete, then I will request the BRB filing fee.

Thank you,

Karen
