RE: Long Plat (Full Subdivision) Type III Application – LP22-00002 – “Sunfisher” 36 Lots
– Notice of Complete Application Letter

Thank you for submitting the Long Plat application packet on May 18, 2022. After completing the review of the preliminary plat application, drawing, SEPA Checklist and associated applications and reports, the application packet was determined to be complete to begin processing as of June 15, 2022. The application packet will be routed along with the SEPA threshold determination to begin the review process.

Sincerely,

Karen Witherspoon
