Good Morning Preston. Vicki has asked us to send you a description of what we will be doing on that property. We will be constructing Log Cabins with cabin Logs only and shipping them out. We will only have Logs on the property for use. It's not a storage facility for Logs. Please let me know if I can be of further assistance as we would like to get this moving. Vicki is waiting for the approval and we look forward to moving forward. Thanks so much and have a great week.
