Discussion

This resolution sets 1:30 p.m., October 25, 2021, as the time and day for the Board of the Lewis County Solid Waste Disposal District to hold a public hearing about a proposal to increase the municipal solid waste (MSW) tipping fee charged at the Central Transfer Station (CTS) in Centralia and the East Lewis County Transfer Station (ELCTS) in Morton.

When the Lewis County Solid Waste Disposal District #1 (District) began operating the (CTS) in 1994, the MSW tipping fee was established at \$95 per ton. Defeasance of bonds reduced the District's financial obligations in 1997, and as a result, the District authorized the tipping fee lowered to \$82 per ton at the CTS and the ELCTS, which began operation in 1997. The District Fund 415 was profitable until the economy weakened, and MSW tonnage declined, resulting in revenue losses even though Solid Waste management reduced operating expenditures to alleviate declining revenue, as a result, the MSW tipping fee increased in 2014 by \$8 to \$90 per ton.

A review of the finances for Lewis County Solid Waste indicate a need to increase disposal fees. Reserves need built. They are at the minimum required amount. Equipment needs replaced. It has reached its life expectancy. Facility needs upgrades. It has reached its capacity to serve the needs of the Lewis County residents. The fee increases will be as follows: tipping fee \$100/per ton with a minimum of \$15/200lbs, bulky waste \$120/ton with a minimum of \$15/200lbs, yard waste (grass & leaves) \$90/ton with a minimum of \$10/160lbs, yard waste (tree limbs) \$60/ton with a minimum of \$10/160lbs and tires (passenger/light truck) \$5 with or without the rims.

According to RCW 70.95.212, the new tipping fee may be effective at least 75 days after haulers have been given notice so that solid waste collection companies have time to prepare and submit tariffs and rate filings for public comment; and to allow time for the Washington Utilities and Transportation Commission to review the collection companies' tariff requests.

Action:

Approve the resolution to set a public hearing on or after 1:30 p.m., October 25, 2021, in the Commissioners' Hearing Room, allowing the public to be seen and heard regarding the above listed proposed fee increases.
