Applicant's Name: Lewis County Public Works (Ann Weckback)

Lewis County Public Works proposes to develop a 5.06 acre area into a day-use only public access point to the Cowlitz River in Packwood, as a local recreational facility. The proposed construction will include a gravel parking area with approximately 21 single-vehicle stalls for passenger vehicles and 17 stalls for vehicles with trailers, a double stall ADA-accessible precast concrete vault toilet building, a non-motorized kayak/canoe/boat access point, a 35-foot log stringer pedestrian bridge, and a loop gravel pathway providing access to the Cowlitz River. Additionally, interpretive signs will be mounted on displays around the project area. The development of the project will include approximately 1,881 cubic yards of fill material and 2,551 cubic yards of cut/grading.
