SEP22-0047 SEPA Checklist - Complete application letter

Dear Mrs. Weckback:

The shoreline application packet, environmental checklist and application fees were submitted on October 31, 2022. The initial review of the submitted documents finds, for the purpose of vesting, the application is complete as of January 5, 2023, and will be reviewed under the 2021 Shoreline Master Program that became effective on November 29, 2021.

The SEPA determination will be issued and the application packet will be reviewed by other departments and agencies with jurisdiction. After the conclusion of the SEPA review process and 30-day shoreline notice, and if there are no SEPA appeals, your shoreline permit will be processed for review.
