RE: Special Use Permit Type III Application – SUP22-0002 & SEP22-0027 – Complete Application Letter; parcel number 031749008000

Mr. and Mrs. Grady:

Thank you for submitting the project narrative on August 15, 2022, for Special Use Permit application SUP22-0002. I have reviewed the original application submittal and the additional project narrative submittals and find, for the purpose of vesting, the application is complete to begin formal review as of August 29, 2022.

All project documents can be found on the County website on the project page for this application and will be updated throughout the review process:

<https://lewiscountywa.gov/departments/community-development/current-planning-applications/majestic-log-homes-manufacturing-special-use-permit-sup22-0002/>

The proposal will be noticed in accordance with the Lewis County Code (LCC) Chapter 17.05 (Notice of Application) and the SEPA threshold determination will be issued. If there are no appeals of the SEPA threshold determination, then a virtual public hearing with the County Hearing Examiner will be scheduled for review of the Special Use Permit. The hearing will be scheduled in a virtual only format through the Zoom meeting platform due to the on-going pandemic. The hearing schedule is also dependent on the applications ahead of this one, which are currently under review.

A notice of public hearing will then be published in the newspaper of county record, posted at the site and mailed to surrounding property owners within 500 feet of the subject parcel. You and the applicant will be notified of the time, date and Zoom hearing attendance information of this virtual public hearing. The applicant and/or the applicant's

consultants should be prepared to attend the virtual public hearing through the Zoom software to provide information to the Hearing Examiner. Additional information may be requested as part of the Special Use Permit and SEPA review.

Please Note: The hearing will be by remote virtual hearing only and there will be no in-person public access to the hearing room.
