Lewis County Public Health & Social Services (LCPHSS) is seeking a qualified veterinarian to provide clinical consultation and services for the Lewis County Animal Shelter (LCAS) located at 560 Centralia Alpha Road in Chehalis.

Qualifying applicants will be or employ a veterinarian licensed in the State of Washington, able to regularly travel in person to the shelter site, and available for animal care related calls.

Description of Solicited Services

1. Provide on-site examinations at least once per week to evaluate health concerns identified by LCAS staff.
2. Provide same-day telephone consultation to provide clinical direction.
3. Provide timely, same-day examinations, testing, and care on site or at a veterinary clinic to address issues such as suspected ringworm, feline panleukopenia, or canine parvovirus infections as well as for emergent situations when an animal is wounded.
4. Serve as the veterinarian of record so that LCAS can purchase, store, and administer euthanasia medication.

Additionally Lewis County is interested in reviewing proposals that include a guarantee of 25 spay surgeries per month.
