With the goal of making information more readily available to citizens, Lewis County is proud to announce that our daily building inspection list is now accessible online.

Interested citizens can go to <https://lewiscountywa.gov/communitydevelopment> and select **Get A Permit** to access **the Daily Building Inspection List**. The list is updated daily, made available the morning of the inspections, and outlines the anticipated order of that day's inspections. Exact arrival times are not available.

For further information about the accessibility of this information, please contact the Lewis County Permit Center at (360) 740-1146 or visit us in person at the Lewis County Public Services Building. You may also visit the Lewis County website at <https://lewiscountywa.gov/communitydevelopment>.
